

ANNUAL FALL FAIR AT STIRLING TO FEATURE BLACK & WHITE DAY

ACCIDENT ON FRONT ST.

A car-truck collision occurred on Thursday afternoon on Front St. W. near Roscoe Ave. Ed Heasman,

RR. 4, Stirling was the driver of the car which came into collision with a delivery van driven by Ken

Green, Stirling. There were no injuries in the mishap. Belleville detachment of the Ontario Provincial Police investigated.

Rotary District Governor Pays Official Visit Here

Harold Herlihey, Wilberforce, Ont., District Governor of Rotary District 707, of which the Rotary Club of Stirling is a part, paid his official visit to the local club on Tuesday of last week.

Following the regular weekly dinner at Stirling Hotel, the District Governor addressed the members. He

chose as his subject, "Rotary and the Gaps to Bridge in the 70's."

Mr. Herlihey broke his address into three parts—Pollution, Drugs and the Generation Gap.

He challenged the local Rotarians to do something about pollution which has built up during our lifetime. He urged that pressure be brought to bear on municipal government, home owners and all people of the community to control pollution.

He asked the Rotarians to be concerned about the drug problem in our communities and to get involved in youth activities and their problems.

In his remarks on the generation gap, he said that, "Rotarians must build this bridge and build it with care."

In closing his interesting address, he stressed attendance at club meetings and to increase local membership.

The District Governor was

CRAIG WATSON ATTENDS COURSE AT QUEEN'S

Craig Watson of Craig E. Watson Insurance Agency, attended a course recently at Queen's University, Kingston. The course involved a qualification and refresher seminar. Mr. Watson was among 58 students and was successful in passing the necessary examinations to qualify for an Ontario Insurance Agent.

NEXT EDITION

Due to the Labor Day holiday, the next edition of the Stirling News-Argus will be published on Thursday next week. Correspondents and advertisers are asked to submit copy as early as possible.

EMPLOYMENT STANDARDS BRANCH

Employment Standards Branch of the Ontario Department of Labour has assisted 33,852 employees to collect \$1,213,859 in underpayments from 5,505 employers during the first seven months of the year.

In its monthly activity report for July, the Branch noted that the collections represented an increase of \$520,237 over the same period last year. An additional 10,000 employees this year benefited by the audits carried out during the seven-month period.

The annual Fall Fair, sponsored by the Stirling Agricultural Society, is scheduled for Friday and Saturday of this week, September 4 and 5. The committee in charge of the various attractions has lined up a program for appeal to all, and indications point to it being one of the best ever seen locally.

In preparing the program, the committee has ever kept in view that the Fair is primarily for the agriculturalists of the community and has endeavored to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well.

It is the hope of the Society that the citizens of Stirling and community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair, not only with their attendance, but by competing in as many events as possible.

The directors desire to thank the citizens of Stirling and Hastings County, who, by their generous donations, have assisted them in arranging for this year's Fair.

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Saturday.

Highlights of this year's fair will include a performance by the CFB Trenton Brass and Reed Band and a horse-drawing contest.

Light horses will again be featured for many of the classes shown in front of the grandstand. This event proved very popular at the last two fairs and a large exhibit of horses is expected.

There will be races for small ponies and a musical chairs competition open to ponies.

There will also be the usual good horse and cattle exhibits, as well as sheep and swine. In the main building will be found the ladies work exhibit, cheese exhibit, High and Public School exhibits and the Horticultural exhibits.

The Hastings County Holstein-Friesian Association again will be holding its annual County Black and White Day Cattle Show at Stirling Fair this year. Years ago, this was a very popular event and the directors were very pleased last year to revive it.

The farm machinery companies also will have their usual display of farm equipment on the grounds.

The customary Junior Farmers section again will be featured this year.

The Western Games program which has proved so popular in the past, will again be featured this year. This attraction will last all afternoon and draws a large number of contestants from across the province.

Arrangements have been made with the Peter March Jr. Midway for a midway with rides and booths for both the children and patrons of the fair.

Refreshment booths will be in operation on the grounds, while hot meals will be served in the Fair dining hall.

In presenting the program, the committee feels it should have the support of the community and, given good weather, the attendance should be the best ever.

Citizens of Stirling and the surrounding area are expected to be out in force to lend their support to the Agricultural Society.

Church Union Topic Of Talk

"How will the Church Union affect me?" is the question that the Rev. Canon Ralph R. Latimer, executive commissioner for the Anglican Church of Canada for the General Commission on Church Union, is most asked.

Canon Latimer said that the opening question then leads to others as: "How will Church Union affect the way in which I worship, the government of my church and what changes will I have to make in my thinking, attitudes and daily living?"

The Anglican rector will

speak on the subject at a public meeting in St. Thomas Parish Hall, Belleville on Sept. 15.

He feels that women's groups are playing an increasing role in the church union movement. But he noted that the financial support of all our churches comes from the middle aged and older people who support the church's efforts towards Union. However he added, "Young people when given a chance to become involved locally usually respond."

Canon Latimer continued, "In our Synods and Councils, which are yearly becoming younger in membership, there is an overwhelming majority pressing for Church Union and for the presentation of a plan of Union. The young people are impatient of delays and are anxious to overcome old barriers of separation."

The Rev. Robert B. Craig, executive commissioner for the United Church of Canada, will also speak at the meeting sponsored by the Joint Study Group of the Belleville Anglican Church Women and United Church Women.

Wellman's

(Mrs. Victor Graham) Mrs. Victor Graham spent the weekend with her daughter, Miss Freda Graham in Toronto.

Mrs. G. Seeley and Murray of Shannonville, were dinner guest on Sunday of Mr. and Mrs. Byron Seeley, Carol and Catherine.

Mr. and Mrs. Hugo Vos and children, enjoyed a holiday to Niagara and Buffalo on Sunday.

Mr. Roy Thrasher of Mt. Pleasant, spent the weekend with Mr. and Mrs. Jack Sharp and family.

HIS FINAL PAPER

Robert L. Hulin looks over a copy of the Stirling News-Argus while the press behind him turns out its final copies of the paper. Start-

ing today the paper will be printed on a high speed offset press. Mr. Hulin published the News-Argus for a final time last week when

the paper was purchased by Eldon Kemp. Mr. Hulin had been publisher of the 91-year-old paper for six years.

Publishers Message

The newspaper you are reading represents our initial efforts to produce a bigger and better paper for the citizens of Stirling and the surrounding area.

Handicapped by lack of time and the fact our small office has been the setting for carpenters, plumbers, electricians and sundry other tradesmen since last Tuesday, we readily admit that this edition has some shortcomings.

Indeed, had it not been for the co-operation of many people, it would have been impossible to publish today.

Special thanks are due to my predecessor, Robert L. Hulin, now the proprietor of Stirling Commercial Printing, without whose help and advice we could not have produced this paper today.

To all the former members of the News-Argus staff, who helped with this edition, I would like to say Thank You. Special thanks to Mrs. Helen Hulin and Mrs. L. Tompkins who handled many of the office duties during this busy past week.

I would also like to express my sincere appreciation to the management of the Campbellford Herald where much of the type in today's paper was set.

Hopefully, when we get two or three more editions

PLOWING MATCH SEPT. 23

The annual Hastings County Plowing Match will be held on Wednesday, Sept. 23, on the Ridge Road farm of Glenn Crow East of Stirling on the second concession of Rawdon Township.

Ten classes—nine for tractors and one for single furrow walking plows—will be offered.

Included on the programme will be a Queen of the Furrow class open to girls and women residing on a farm in Hastings county, and a special class for mayors, reeves, deputy reeves, councillors and presidents of county farm organizations.

The programme gets under way at 9 a.m. with a plowing demonstration. At 10:30 the utility classes commence, to be followed by the regular classes at 12:30.

To encourage competition by beginners there will be classes in the 12-16 and 16-21 year age groups for those who have not plowed at a plowing match.

under our belt, things will sort themselves out and at least some of the gremlins that have been plaguing us will have been eliminated.

In the meantime, we hope you will bear with us until we

are through this difficult period of converting from the letterpress to the offset method of printing. Better days lie ahead.

Eldon Kemp,
Editor & Publisher.

Western Star To Appear at Belleville

Canada's own country and western star, Wilf Carter, will make one of his rare public appearances Sept. 12 in BCI auditorium.

He will highlight the first show of the Trent Valley Country Jamboree for the coming season.

For over 38 years, Wilf Carter has brought the distinctive sound of Maritimes country music to the western music field, making it the "Carter sound."

His native Nova Scotia has contributed greatly to the field of country music, not only by fostering a great deal of the music today, but also by giving the world some of its greatest country and western music.

Wilf Carter, also known as Montana Slim, has carried his

guitar from Nova Scotia across North America. Now over 60, he returns frequently to Canada to renew old acquaintances.

He now lives in Winter Park, Florida, where he rents his own studio to produce his records. In this way he retains his own sound, distinctive from the "Nashville sound" current in the recording field.

He enjoys the Nashville sound, but says: "My records are down to earth. I make lots of mistakes doing them and that's what people like."

The RCA catalogue list more than 20 Wilf Carter LPs, proof of the durable Canadian's consistent popularity.

CHURCH UNDER CONSTRUCTION

Work is progressing on the construction of Grace Chapel near the northern

village limits on Edward St. The Chapel, being constructed with volunteer la-

bor from the congregation, will replace the church destroyed by fire in March of

IT'S THE LAW

The law states that there must
be a life-jacket for each person
in a boat. To test whether your
life-jackets have deteriorated in
quality since you bought them,
don't just toss them in the water
to see if they float. Put on the
life-jacket - it should keep your
head well above the water.

ANNOUNCES GRANT

George A. Kerr, QC, Min-
ister of Energy and Resources
Management, and Clarke
T. Rollins, M.L.A. for Hastings,
have announced the approval
of a provincial grant of
\$1,300 to the Lower Trent
Conservation Authority for an
appraisal and legal survey of
the proposed King's Mill Con-
servation Area.

The Authority is proposing
to acquire two properties in
Rawdon Township containing
a two storey stone grist mill
and sawmill, a creek with a
dam in need of some repair
and a dwelling house. It is
now proposed to have an ap-
praisal made to determine the

value of these properties and
also have the properties sur-
veyed.

All member municipalities
will bear the Authority's share
of the cost.

BRIDAL SHOWER

On Saturday evening, August
15, Mrs. William McAdam
entertained at her home in
honour of Miss Nancy Johnson,
a September bride-to-be.

The co-hostesses were Misses
Judy McAdam and Vicky Hay.
The bride-to-be was the recipient
of a corsage, also her mother,
Mrs. Donald Johnson, and her
grandmother, Mrs. Elwood
Johnson. Several contests were

enjoyed. Nancy unwrapped a
large array of lovely gifts, which
were passed around for viewing.
She then expressed her thanks to
all. The group included school
mates; the ladies of the former
"Williams School Section", and
her aunt, Mrs. James Reynolds.
The hostesses served
refreshments and those in
attendance wished Nancy every
happiness in the future.

**TRENT - SEVERN
WATERWAY STUDIES**

Seven additional field studies
on the Trent-Severn waterway
will be completed this year for
the guidance of the
Canada-Ontario Rideau-Trent-
Severn Committee (CORTS).

This committee, representing
some 40 federal and provincial
departments and agencies, was
established to plan the optimum
recreational use of the 450 mile
waterway between Ottawa, Lake
Ontario and the Georgian Bay.

It encompasses 31 major lakes
and five river systems, linked by
90 locks - a nationally significant
playground for central Canada.

Among the new studies of the
Trent-Severn section are the following:

1. An analysis of patterns of
private and public land tenure
by Harold Sweirga of the
economic geography staff of
Algonquin College of Applied
Arts and Technology.

2. Historical and archaeological
sites by David Bull of the
Ontario Department of Public
Records and Archives in
association with Trent
University of Toronto School of
Architecture.

3. The effect of fluctuating
water levels on recreational land
use in the Haliburton lakes, a
two-year analysis by Reiner
Jaakson, a post-graduate student
at the University of Waterloo.

4. Rating of 72 marina
facilities on the Trent by Bertha
Crone, a post-graduate student
at the University of Guelph.

5. Day-user analysis in five
areas along the Trent-Severn by
the National Parks Service,
Ottawa.

6. An analysis of the wildlife
resources and capabilities by the
Ontario Department of Lands

and Forests.
7. Multiple uses of public
lands, nature preserves, etc. by
John Ambrose, assigned to the
CORTS study staff by the
Ontario Department of Lands
and Forests.

A more detailed analysis is
also being made by the
Geography Department of Trent
University for the Ontario
Department of Lands and
Forests of boat users on the
westerly end of the
Rideau-Trent-Severn waterway.

**PETERBOROUGH BLACK
AND WHITE SHOW**

A large crowd gathered for
the Peterborough Black and
White Show held in conjunction
with Peterborough Exhibition at
the renovated Cattle Judging
Pavilion on August 14. This
successful event was held from
7:00 p.m. to 10:00 p.m. for the
second year.

Seven exhibitors from
Peterborough County brought
out 48 animals, and among
these, Stewart Nelson & Sons,
Keene, took the Premier Breeder
and Premier Exhibitor awards
with Earl Doris, Peterborough,
in second place. Peterborough
Exhibition, which was an open
show, attracted 23 exhibitors
with 87 head. Almerston Farms,
Campbellford, was Premier
Breeder of Peterborough
Exhibition, and Stewart Nelson
& Sons, Premier Exhibitor, with
Earl Doris in the runner-up
position for both honours.

According to Judge J. M.
Fraser of Streetsville, Ontario,
the classes were of high quality,
and the entries from
Peterborough County were
particularly strong, taking the
Grand Championship for bulls,
both Junior and Reserve Junior
Championships for females and
the Reserve Grand
Championship for females.

Both shows followed the same
prize list, except that the
County show added two
classes - junior heifer calves
and senior heifer calves. Among
the three entries in the junior
heifer class, Keendale Lodge Star
Ollie stood first for Stewart
Nelson & Sons. There were ten
good quality senior heifers
where Flettale Jetstar Jean
stood first for Clarence Glenn of
Keene. For both shows the
Grand Champion bull was
Doriscroft Alert Dean, the first
prize yearling shown by Earl
Doris. He was young in class, but
well balanced with plenty of
strength and dairy character.
The Reserve Grand Champion
for Peterborough Exhibition was
Emeraldale Master Leo, who
stood second in the class for
Donald Budd of Port Hope. Leo
is a long bull with good legs and
a level rump. Among the County
entries the Reserve Grand
Champion bull was the third
prize bull calf, Keendale Lodge

(Mrs. Arthur Pyear)
On Saturday evening friends and neighbours gathered at the community hall to honour Mr. and Mrs. Don Armstrong (nee Christine Preston) on their recent marriage.

Mr. Ron White was chairman and after a few introductory remarks led in community signing with Mrs. Harry Brown at the piano.

Mrs. Brian Sayers gave Mrs. Arthur Pyear played a piano duet, Marsha Clancy sang a solo accompanied

by her mother, Mrs. Gerald Clancy.

Joanne and Barbara Hearns sang a duet and Mrs. Harry Brown played piano numbers.

Mrs. Douglas Pyear read an address and a purse of money was presented. The recipients made suitable replies and invited friends to visit them in their home in Toronto.

Lunch was served and a social hour followed. Mrs. Ron White, Mrs. Gerald Fraser and Mrs. Douglas Pyear arranged the evening.

BROADWORTH CLAN ASSEMBLY

More than 90 members of the Broadworth Clan were in attendance at the Assembly held at the summer cottage of Muney and Ruby Hayes, German's Landing.

The children of Norman and Pearl Broadworth of Trenton, as Carl Broadworth, Hilda Sca, Bessie Rutt and Ruby Hayes, organized this meeting of the Clan.

As the guests arrived, they signed the guest book under their own individual family.

The first part of the afternoon was spent in visiting and getting to know one another. As this was the second meeting of the Clan, many older folks met the younger ones for the first time.

At 4 p.m., everyone sat down to a bountiful luncheon. Grace was sung and Grant Richardson of Stirling gave the blessing.

After the luncheon, Marguerite Wessels of Belleville acting as chairman, conducted a sing-song of favorite tunes of the Clan.

She then called on the speakers for the afternoon, Percy, William, Raymond and Clifford Broadworth, Ogle Devolin, Mable Allore, Hedley Shaw, George and Tom Moorcroft, William and Ronny Bassett, Ernest Wainmaker and Morley Wadsworth.

As Norman and Pearl Broadworth celebrated their 44th anniversary and Norman's 70th birthday, that week, the family presented them with a purse of money, a wedding anniversary cake and birthday cake which was cut and served to the guests. Norman replied on behalf of his wife Pearl, thanking everyone who came to make their day a perfect one.

Horseshoe pitching followed with the younger folks taking on the older champions. Many spent time swimming at the beach. Gifts were received by the oldest man present who was Morley Wadsworth and the oldest woman, Emma Wadsworth, both of Frankford. The youngest baby boy was Christopher Palmer of Bancroft and the youngest girl was April Broadworth of Oshawa.

A WIDE LOAD
PRESENTS PROBLEMS FOR TRUCK DRIVER

It was a tight fit as work crews brought a portable classroom along Stirling's main street last week. A constable from the Ontario Provincial Police directed traffic while the large structure moved through the village. An attempt to take the building along Victoria St. failed because of the width of the classroom.

SPRINGBROOK MIDGETS TAKE FIRST GAME OF QUARTER FINALS

The Springbrook Midget B, O.A.S.A. team played their first game of the quarter finals against Newmarket last Saturday night.

What a game that was, with Springbrook being the winners by a score of 4 to 3 in ten innings. Both teams played good ball as Newmarket has a well-balanced team. The second game will be played in Newmarket this Saturday at 8:00 p.m.

Getting back to this first game, Wright led the attack with two singles while singles went to Bateman, C. Campbell and Finch. Andrews and Maloney each had a triple. A home-run going to Randy Toms in the bottom of the ninth inning tied the ball game 3 to 3.

Then, in the bottom of the tenth, Bateman got his single; Wright moved him to second on a fielder's choice, then Andrews hit a fly ball which the Newmarket second baseman erred on, letting Bateman score from second and that was the ball game.

Clinton Campbell, pitching for Springbrook, had eighteen strike-outs in this game. The whole Springbrook team played very well and if they play this well in Newmarket, it should make this a very interesting series.

STIRLING

ONTARIO DAIRY PRINCESS GUEST OF HONOR AT LOCAL FALL FAIR

A TIGHT SQUEEZE

Politicians usually are careful not to back themselves into a tight corner.

At Stirling Fair on Saturday, however, George Hees, MP for Prince Edward Hastings,

allowed himself to be coaxed into a pint-sized Mini-Vee. He almost needed a shoe horn to do it.

Citizens of Stirling and the surrounding area flocked to the village Saturday for the 112th edition of the fall fair. Gate receipts were down slightly as a cool, brisk wind developed early in the afternoon, possibly detracting from the attendance.

As a special highlight, Miss Dianne Gunning, RR 1 Tweed, the newly crowned Dairy Princess for Ontario, was on hand for the official opening of the fair at 2 p.m. It was her first official act following her selection as Dairy Princess at the Canadian National Exhibition.

She was introduced by Mrs. Kenneth Weaver, president of the ladies section of the fair, who also presented Miss Gunning with a gift.

The fair was officially declared open by George Hees, MP for Prince Edward Hastings. He said the fair was one of the events to which he and the people of this area look forward each year. After commending the people responsible for staging the fair, the Stirling Agricultural Society, he said it gave him "tremendous pleasure" to declare the fair open.

Clarke Rollins, MLA for Hastings, made a surprise presentation of a long service certificate to Kenneth Weaver, a director of the agricultural society for 25 years.

A bouquet of flowers was presented to the Dairy Princess by Miss Maribeth Burkitt.

A bouquet of flowers was presented to the Dairy Princess by Miss Maribeth Burkitt, daughter of Robert Burkitt, Frankford, the chairman of the Hastings County Milk Committee.

A welcome was extended to the patrons of the fair by the president, George Sutherland. Master of ceremonies for the official opening was R. E. Fox.

The patrons enjoyed the many exhibits and competitions as well as the midway. Hastings County Black and White Day was a special highlight of the fair with Allan McComb and Sons, RR 5 Belleville, winning the grand championship.

Senior Citizens At Play

Edna Sharpe (one of our euche sharks) celebrated a birthday on Thursday and almost 50 senior citizens were lucky to sit in on it. Her daughter-in-law, Marion Sharpe, assisted by Carol Sharpe, and a neighbouring girl, Dianne Parker, served a spread that was fit for a king in Edna's honour. Roy Thrasher threw in four dozen bananas as his treat. Edna, in good form, thanked Marion and all for their kindness.

The visitors present were Amy Schram, who will be remembered as Amy Morrison when she was a local girl here. Her father operated a grocery store where IGA now is. She would have brought her husband too, but some one had to babysit with his dog. Amy and he are seriously thinking of joining our group.

Then Irene Bateman and Lily Rainie were also welcome guests. They'd look good here too. How about it kids?

In the fall it takes two kinds of people to make the world: poets to write about the beauties of autumn and the rest of us to rake them.

ASK THE PASTOR

Question: Is there truly people of the Catholic Church who are called Pentecostals?

Answer: Yes, in the States there is a movement within the Catholic Church who are pentecostal. We have the idea that pentecostals is a denomination, it may be but it is a lot more than that, it is an experience.

Since 1967 the Catholics have been searching through the scriptures and have found that the pentecostal experience as to Acts 2:4 is real and for today. At the present there is over 30,000 Catholic Pentecostals in the States.

I feel that our problem is that we are afraid to search the scriptures unless there is something in our life that will have to change. There was a change in the Catholics and that was more of a love than they ever had before. There can be a change

in you as well.

There is a book written about this movement entitled "Catholic Pentecostals" by Devin and Dorothy Ranaghan.

Tweed Girl Winner

Dianne Gunning, 18, of Tweed, last week won the title of Ontario Dairy Princess for Hastings County. First to finish in the electrical milking contest, Dianne then gave a speech of unstinting bravura which out-distanced all of her rivals but one.

Dianne will shortly leave for Great Britain where she will tour the British dairy industry. On returning, she will visit Ontario county towns and dairy events for the next year. In 1971 she will compete for the title of Canadian Dairy Princess.

A BOUQUET FIT FOR A PRINCESS

Little Miss Maribeth Burkitt, daughter of Mr. and Mrs. Robert Burkitt, Frankford, presents a bouquet of flowers

to Miss Dianne Gunning, RR 1 Tweed, the newly crowned Ontario Dairy Princess, during the official opening of

Stirling Fall Fair on Saturday. Maribeth's father is the chairman of the Hastings County Milk Committee.

Consultant Discusses Changes in Official Plan

The regular meeting of Stirling village council was held at the council chamber on Tuesday, September 1. All members were present.

George Cressman, from Phillips Planning and Engineering, consulting engineers to the village, was present with the official plan for Stirling and the zoning bylaw.

Mr. Cressman explained the plan at great length, making note of all changes which had been recommended. He also outlined the procedure to be followed in passing the necessary bylaws.

The following material is to be forwarded to the Department of Municipal Affairs: The original and two copies of the official plan, 15 working copies, the advertisement of the public meeting, three copies of the zoning bylaw.

Reeve Donald Rodgers thanked Mr. Cressman for all his help in getting the official plan prepared, with a minimum of problems. All members present.

Clerk read the following Correspondence:

GRAND CHAMPION HOLSTEIN

Delbert McComb smiles as he accepts the first place ribbon in the Hastings County

Black and White Show held at Stirling Fair on Saturday. Congratulating him is the

Ontario Dairy Princess, Miss Dianne Gunning, RR 1, Tweed. It was the fourth

time this nine-year-old cow had won the grand championship.

Springbrook Midgets Defeat Newmarket 9-1

The Springbrook Midget B O.A.S.A. team travelled to Newmarket Saturday night for the second game of their series. They came home victorious by a score of 9-1 thus taking the series two games straight.

Springbrook played very well in this game as Maloney led the attack with a triple and two singles, Wright had a double and single, Toms had two singles with other singles going to Bateman, and Finch.

The big inning for Springbrook came in the third when Finch got on, on an error and was advanced to score on singles by Bateman and Wright. Andrews then drew a walk to load the bases and this sent Springbrook's pitcher, Clint Campbell to the plate. He immediately drove a line shot over the right fielder's outstretched arm for a home run scoring four more runs and this gave Springbrook a big lift and

seem to set Newmarket back on their heels.

Springbrook scored four more runs in the fifth inning with Newmarket scoring their only run in the seventh inning on an attempted pick off play at second base.

Clint Campbell had eleven strikeouts against Newmarket and allowed only three hits while walking three batters.

Newmarket pitcher Lorne Jackson struck out nineteen Springbrook batters, allowed ten hits and walked only one.

Springbrook will now meet the winners of Zones one, two, and five with the first game scheduled for September the 19th in Marmora. Please watch next week's paper for further notice of this series.

Reeve And His Wife Visit British Isles

Reeve Donald Rodgers and his wife recently returned from a trip to the British Isles where they spent an interesting three weeks.

A highlight of their journey was a visit to Stirling, Scotland, a city of 75,000 people. Reeve Rodgers and others in his party toured Stirling Castle and later Mr. Rodgers had an audience with Dr. McIntyre, Provost, an office comparable to mayor or in Canada.

Reeve Rodgers said he extended an invitation to the provost to pay a visit to Stirling, Ont., some day.

While in Scotland, Mr. and Mrs. Rodgers also had a first hand look at Balmoral Castle in Edinburgh.

In Wales, they were impressed by the big tourist area at Blackpool.

The vacationers spent a day touring the city of London where they visited such famous historic sites as Westminster Abbey, Trafalgar Square and Buckingham Palace.

In Killglen, in southwest Ireland, they attended a bizarre event known as Puck (Goat) Fair. During this three-day affair, cattle and sheep are allowed to roam freely in the streets. A cow was observed with its head stuck inside the door of a saloon. Reeve Rodgers said he would never forget the odor or the giant clean-up problem that existed in that community following the fair.

Accompanying Mr. and Mrs. Rodgers on the overseas trip were Mr. and Mrs. R. A. Rodgers, Petawawa, and Russell Burrows, Edmonton. The trip was made by air.

Is God Dead? NO, Say Women

Is God dead? Is religious study out of date? Not according to the women of the United Church. An overflow registration for their annual school, being held this year at Camp Quin-Mo Lac on September 11, 12, and 13 has been received.

In keeping with the times, the format of the school has changed this year. It is a camping, do-it-yourself school, with teams from the seven Presbyteries within the Bay

of Quinte Conference acting as leaders and presenting the theme, "Trends in our Church."

Mrs. Kay Bentley, the new editor of the United Church's new teenage magazine, will attend. She is interested in all who are concerned about communication with our teenagers. She will introduce the new magazine, "Free to be."

Due to lack of accommodation, we will not have a visit to St. day.

Elaine Workers Agree To One-Year Contract

On Wed., Sept. 2, a special meeting of the B.S.W.U., Local 745, voted to accept a one year contract with Elaine Footwear, after four meetings of negotiations.

The following is what has been accepted by the membership: the new hourly rates are listed effective as of Aug. 16, 1970: minimum over 21 after one year, class 1—\$1.70; class 2—\$1.62; class 3—\$1.57; all women—\$1.50. Any person under the age of 21 will then move to the rates of the men after one year of service.

There are no women job classifications. They will all

receive a \$1.50 an hour.

Effective April 1, 1971, hourly rates will be \$1.65 per hour for women.

After 60 working days an average employee should be able to make according to the contract, the hourly rate plus 25%.

In addition to this, the company has agreed to pay all statutory holidays and two other days, Nov. 11 and Easter Monday, at 8 hours time the average hourly earnings for the week the holiday occurs, provided the employee has been employed by the company for at least 60 working days.

In the past paid holidays were at straight hourly rates.

The majority of the negotiating committee recommended to the membership that they accept what had been negotiated to date.

Roy Lake, president, said that it possibly was not the best contract that the union could have negotiated but felt that due to the company having a bad year, he felt that by recommending for a one year contract, it would give the company a chance to get back on its feet.

AS SESSORS TO VISIT TORONTO — Darcy McKeeugh, Ontario's municipal affairs minister, announced recently that each home in the province will receive a pamphlet on assessment within the next four years.

Mr. McKeeugh said the pamphlet will explain the government's plan for province-wide assessment and will be delivered personally by an assessor when he visits a home.

CLASSES RESUME AT LOCAL SCHOOLS

Enrollment for the Stirling Marsh Hill Public School Unit has increased by 48 pupils this year.

George Patton principal of the two schools in Stirling and the one at Marsh Hill said that the unit has a total pupil enrolment of 862. The junior school has 265, the senior has 597 and Marsh Hill has 90. He also reported that 21 children entered the kindergarten program this year.

There are four new teachers who have joined the school staff. They include Miss D. Parks, from Peterborough Teachers College, Mrs. J. Kane, from Trenton, S. Patrick from Peterborough Teachers College and Mrs. P. Thompson from Ottawa Teachers College.

The three schools have a total of 39 teachers.

Farmers Need Better Purchasing Information

OTTAWA — Farmers need better information for their decision on the purchase and operation of farm machinery.

The largest stock of measurements potentially useful to farmers is that held by manufacturers, but only limited amounts are made available to the farmer, says a study prepared for the Royal Commission on Farm Machinery by Dr. Graham F. Donaldson, of Wye College University of London (England).

In releasing the study, Farm Machinery Testing today, the Commissioner, Dr. Clarence Bart, noted that the views expressed in the paper are Dr. Donaldson's. The Commissioner's own Final Report will be published later this year.

Dr. Donaldson's study says in part: In spite of the recognized complexity and cost of their product as a farm input, no effort has been made by manufacturers to introduce a form of technical field representation — even though such a system has been operated for many years by agricultural chemical and fertilizer companies. Consequently the bulk of those measurements which might be useful to farmers is not made available to them.

Dr. Donaldson attributes the lack of information from the farm machinery companies to the cost of making the data available to the farmer and the competitive pressures that make an open information policy hazardous in existing business

procedures in the industry. He notes, however, that the high value of the information to the farmer, the fact that any additional costs can be fairly readily passed on to the farmer in the form of increased prices, and the knowledge by the companies that their machines will be thoroughly tested, any case by their competitors make the cost arguments seem rather hollow.

Dr. Donaldson recommends this major program: Programs of machinery evaluation at universities and in federal and provincial government research stations across the country, designed to supplement the test activities of the companies themselves and to relate company findings to local conditions.

A requirement that companies publish the results of the tests which they now perform on the machines they sell, so that a body of knowledge would become immediately available. Procedures for the use of standard tests by an industry to evaluate its products exist, according to Dr. Donaldson, in the provisions required of the pharmaceutical industry. The development of a new Canadian institution, devoted to research and measurement evaluation. Such an institution would need branch units to evaluate the machines used most in each location.

An analysis of the cost-benefit relationship of the proposed program indicates that, since the cost of farm machinery approximates 50 per cent of total farm costs,

the research budget of the Canada Department of Agriculture might be devoted in the same proportion to farm machinery research and development. This would mean that the present budget level would be increased at least 100 times (if the present research budget were simply divided), or 200 times (if the present budget were matched).

Another approach is to analyse the anticipated savings. Fuel savings on an average farm in Canada could reach \$30 a year by the improved selection of tractors for the job. Repair costs could be reduced by at least \$25 a year by selecting more reliable machines. Annual reductions of at least \$45 a farm could be attained by improved selection of the best-sized equipment to do the job. The total saving, \$100 a farm each year, would amount to \$30 million for the 300,000 commercial farms in Canada.

A third approach uses the standard applied in many industrial projects that 3 to 5 per cent of the total investment in a project should be spent in assessing how best to spend the money. An expenditure of only 1 per cent of the total expenditure of about \$500 million a year on farm machinery would yield approximately \$5 million.

From the cost side, Dr. Donaldson concludes that an institution of about 20 scientific personnel with about an equal number of technical staff could be set up for about \$1 million

LOYALIST ROAD PAVING CONTRACT IS CALLED

With grading for the third and final phase of the roadway completed some weeks ago, the Belleville and Suburban Roads Commission has called paving tenders for the 1.6 mile of Wallbridge-Loyalist Road north of Highway 2.

The tenders for hot mix

asphalt paving will close Sept. 9 and hopes of the commission are that the suburban road past Loyalist College can be paved this fall.

Due to limited funds, rebuilding of the Wallbridge-Loyalist Road was carried out over a three-year period, with the section opposite the college building being done two summers ago.

Last year the bridge over Jones Creek was rebuilt and this year the remaining four tenths of a mile north of Highway 2

was regraded. Also this year flasher light crossing protection was provided over the single line CPR track. Installation of the flasher light system was completed earlier than expected and the lights have been in operation since the last of June.

A TOTAL OF 352 YEARS

The combined ages of the above four people total 352 years. All are residents of Edward St. Nursing Home

and each one celebrated a birthday last week. Mrs. Grace Morton left, was 92 on Sept. 5. Thomas McGory

(seated next to Mrs. Morton) was 89 on Sept. 4. Mrs. Mabel Moran was 87 on Sept. 5 and James Detlor was 84 on

Sept. 5. A birthday party was held in their honour on Friday at the nursing home.

River Valley Women's Group Holds Meeting

Thursday, September 3, Mrs. Stanley Irvin was hostess for the monthly meeting of River Valley Women's Institute. Several bouquets of nasturtiums and sweet peas were in evidence. There were twenty members, eight visitors and one preschool child in attendance.

Mrs. Roy Tucker opened with the Institute Ode, Mary Stewart Collect and a welcome to all.

The members had been asked to wear a corsage made from their flower garden and the roll call gave a description of each of the various corsages.

Mrs. Gerald Brooks gave a concise report of the July meeting, the Annual Picnic on July 12 and in lieu of the August meeting fourteen members visited Sidney Township Council meeting August 4.

The conveners reports were Mrs. Ross Bush on Agriculture, Mrs. Ernest Carr, Education.

Mrs. Roy Bush displayed an old primer of bygone school days. She also read an article by Nina Jamieson Moore, the author of "The Cattle in the Stall," as written in the "Ontario Farmer" in 1932.

The Public Relations Officer, Mrs. Percy MacMullen, brought regrets from the new editor re the omission of the paid corner on September 2. She also stated that at the National Convention one speaker urged the women to become interested in today's problems.

For Friendship Links, Mrs. MacMullen suggested that the Christmas gifts be displayed at the October meeting and then mailed to England.

The A.C.W.W. Convener announced \$1.40 in the July penny jar and there was no collection in August. She read an item from the "Countrywoman Magazine" which told of a group of twenty seven farmers and their wives from France who visited California in the autumn of 1969. Ten of the women were entertained by the Farm Bureau and were shown many items of interest.

Mrs. Vernon Harry gave a report of the W.I. Centre.

The Institute donated five dollars prize money for Stirling Fair.

Mrs. Norman Rosebush and Mrs. Ernest Carr were appointed leaders for the Senior Training Class on "Desserts".

Gloria Harry gathered the "Pennies for Friendship".

October 1st will be Curator's meeting, with Mrs. Sheldon McIntosh as hostess.

The 60th Anniversary will be observed with a seven o'clock supper meeting, Monday, October 19.

Trent Valley Area Convention will be held October 28 and 29 at Club Canara, Belleville. The Institute has purchased a 36 piece set of dishes with their name and crest to be used for special occasions. Mrs. Roy Bush donated fifteen dollars to have the Institute crest placed on each dish. This will be a living memory of her valuable work in River Valley W.I. for many years.

Mrs. Gerald Brooks and Mrs. Roy Irvin will begin the 4-H Club meeting, "Working with Wool" next week.

Mrs. Ross Bush convoked the programme and opened with

Our Apologies

Our apologies to those people whose news items or advertisements were omitted from last week's edition of the News-Argus.

In the rush of converting the newspaper to offset from letterpress, it became necessary to leave out some items in order to be able to publish on Wednesday.

In instances where paid for announcements were omitted, credits will be given.

We think that we have included all paid advertisements in this edition. If your ad still is missing, please call us at once.

Thank you for bearing with us through this difficult period of transition. As we become more aware of the needs of the community, we expect to be better able to serve you.

Already, we have been touched by the warm welcome Stirling has given us. We shall endeavor to keep the News-Argus as a genuine newspaper of service.

Best Wishes To Principals In Sale Of Stirling News-Argus

(Editorial Comment)

We wish at this time to pay a brief but timely tribute to Mr. Bob Hulin who at the end of August relinquished his onerous duties as editor of the Stirling News-Argus to whom we feel is a worthy successor, Mr. Eldon Kemp, formerly on the staff of The Trentonian in Trenton.

Mr. Hulin, who has been editor of the Stirling News-Argus for the past six years, rose to that position, where 25 years ago, he entered the employ of the News-Argus in the lowly position known in the trade as "The Printer's Devil." He has worked diligently to retain the Stirling News-Argus as one of the best and newest village newspapers we have seen.

A spirit of personal friendship and co-operation has existed between the Stirling News-Argus and the Campbellford Herald during Mr. Hulin's ownership, and for that matter, during that of his predecessor too.

Mr. Hulin, while relinquishing the responsibilities of publishing a newspaper for at least fifty weeks of the fifty-two in a year, will remain in the printing business in Stirling, where he will operate his job printing plant under the name of Stirling Commercial Printing, in the same News-Argus building.

A short while ago we had the pleasure of meeting the new editor of The Stirling News-Argus, Mr. Eldon Kemp, while he was still at The Trentonian, where he was doing a successful job as senior reporter-photographer for the past ten years. We were favourably impressed with his capabilities and pleasant personality. We note with interest that he received his high school education in Campbellford. We look forward with a great deal of pleasure to establishing an amicable and co-operative bond with him in our similar fields of endeavour, as we had with Mr. Hulin, and we welcome him to the ranks of fellow editors in our area as a friend and neighbour.

Readers of The Stirling News-Argus will no doubt note a marked change in the face and format of their newspaper because Mr. Kemp will abandon the former letter press-printed paper in favour of the widely spreading offset method of publishing. This is similar to the step the Campbellford Herald took just one year ago. We feel the readers of the News-Argus will be enthusiastic over this change as were the readers of The Herald when we adopted it ourselves.

We wish both Bob Hulin and Eldon Kemp every success in their changed roles in the printing and publishing business, which they evidently both so desired. We sincerely hope and trust that this move will provide each with the full measure of satisfaction which they apparently anticipate and which prompted their action.

From the Campbellford Herald

Warning Is Issued To Silo Fillers

BY W. D. TIPPER

Every year there are a few cases of farm operators falling victim to "silo filler's" disease. What this is, is a gas that under special circumstances forms in the silo. The gas is formed with the fermentation of crops with a high nitrogen base. It actually is a combination of nitrogen oxides and carbon dioxide. Special circumstances are special things such as crops that are stunted due to hail, drought or some other cause. Other circumstances are things like a shut-down on silo filling for a few days or in some cases just over night. Then with our modern air tight silos we have a normal collector for any gases formed.

The two things to watch for that are most readily detected are yellow brown fumes in the silo and bleach like odors around the silo. These should serve as warnings if by any chance trouble has occurred. Donald Present, our Agricultural Engineer points out that you can take simple precautions:

1. Use your nose and eyes before entering a silo that is being filled.
2. Start the blower and leave it running for a few minutes to

clear out any possible gases before entering the silo.

3. Don't be too anxious and leave the doors out of the silo until you actually need them as step by step the filling takes place.

4. Medical help should be sought for anyone who has been exposed to gas for ANY length of time and as soon as possible. The greatest danger period then must be assumed for the time of actual silo filling and for about sixty hours afterwards. These are just common sense points to watch for during this phase of farm operations. Hopefully no one will encounter the problem. At the very least you should know about it and what to do. Precautions never hurt anyone.

Pelow - Mulheron

Baskets of white gladioli and yellow 'mums adorned Bethel United Church for the recent wedding of Margaret Ann Mulheron and Paul Douglas Pelow, both of Oshawa. The bride is the daughter of the late Mr. and Mrs. John Mulheron, while the groom is the son of Mr. and Mrs. Douglas Pelow. The ceremony was conducted by the Rev. W. C. Cox.

Given in marriage by her cousin, John Marsh, Oxford, England, the bride was radiant in a fitted formal pant dress in carnation white logoda crepe. It featured a scoop neckline and empire waist, while the full length formal coat overlay of imported French Guipure lace, trimmed at the waist, neck and sleeves, had continuous flow of guipure eight-petalled roses. The headpiece was a cluster of rolled edge nylon sheer forget-me-nots, outlined with nylon-petalled leaves. It held a full length chapel veil and a two-layer shoulder length veil.

The bride was attended by Miss Ann Scott of London, Ont., Marilyn Stewart of Toronto, Mrs. Cheryl Gulenchyn, Suzanne Pelow and flower girl Miss Jane Pelow, all of Oshawa. They were similarly gowned in formal pant dresses of logoda crepe in an electric blue with fitted bodice, V neckline, fitted four inch band at the waistline, studded with gold knobs, full length sleeves with wide band cuffs. Extra full pant legs resembled a full flowing skirt.

Gil Brick of Oshawa was best man, while Curt Pelow, Danny Cann and Peter Gulenchyn were the ushers.

The reception was held at the Stirling Legion hall, with Bethel U.C.W. catering. The bride's mother, Mrs. Francis Reid, wore a light blue crepe dress with a Rachel know sleeveless coat with white accessories and corsage of Sweetheart roses as she welcomed the guests. Assisting were Mrs. Pelow, gowned in brown and white silk with matching long-sleeved coat, brown and white accessories, and a corsage of yellow Sweetheart roses.

For a wedding trip to Calgary and other western cities, the bride chose a black and white print, long sleeved dress with black sleeveless coat and

matching accessories and corsage of Woburn Abbey roses.

Visitors from outside the area were from England, Oshawa, London, Bancroft, Whitby, Campbellford, Newmarket, Toronto, Brantford and Howe Island.

The couple will reside at 124 Orchard View, Oshawa.

Bride Entertained At Many Showers

Prior to her marriage Miss Mulheron was guest at several miscellaneous showers.

Hostesses for these festive events were Miss Ann Scott, and Miss Jo-Anne Richardson at her home.

The bride's co-workers from the Dr. J. O. Ruddy Hospital paediatrics department, held a shower at the home of Miss Ruth Hall.

Miss Suzanne Pelow and Cheryl Gulenchyn gave a shower at the home of the groom's mother.

A linen shower was held at the church in Bethel by the ladies of the community.

SURPRISE SHOWER

Miss Jo Anne Montgomery an October bride-to-be was recently entertained at a surprise shower, held in her honour at the home of Mrs. Grant Stapley with Jane West and Cheryl Stapley as hostesses. The guests were all former classmates at Stirling High School and a very enjoyable evening was spent making a bride's book and talking over old times.

Jo Anne was presented with a large array of gifts for which she thanked everyone and said how much she enjoyed seeing all her friends again.

A delicious buffet dessert luncheon was served in the dining room gaily decorated with yellow and white streamers and fresh bouquets of flowers.

Mr. and Mrs. Gordon Pelow and family of Hybla were supper guests on Sunday of Mrs. Charles Dunham.

Scriptures Now In 1,400 Tongues

The Canadian Bible Society has designated November 1st to Christmas, 1970 as a period for the special promotion of the daily reading of Scriptures.

A pamphlet containing a list of Daily Bible Readings is available free of charge in any quantity that is required from any office of the Canadian Bible Society.

Bible Sunday, the Second Sunday in advent, falls on December 6th in the midst of this period of special promotion of Scripture reading.

The Scriptures are now in over 1400 languages and appearing in two new languages every month. Only three percent

of the population of the world now has no part of the Scripture in its own language.

The demand for the Bible increases each year and the 145 million Scriptures distributed throughout the world last year by the Canadian Bible Society and its 48 sister societies in the United Bible Societies was far short of meeting the demand.

Amid all the changes being experienced by the human race today, the message of the Bible remains totally relevant and valid for it speaks into the human situation and offers both an explanation of man's predicament and a way of overcoming it.

MR. AND MRS. FLOYD E. BARTLETT

Mr. and Mrs. Floyd E. Bartlett, 24 Victoria St., Stirling, celebrated their 50th wedding anniversary last Tuesday.

They received a plaque and telegram of congratulations from Premier John Roberts and Clarke Rollins, MLA for Hastings. They also received telegrams from George Hees, MP for Prince Edward Hastings, Lee Grills MP for Hastings, and Robert Stanfield, leader of the Progressive Conservative party.

Mr. and Mrs. Bartlett were married at Wallbridge by Rev. Thomas Wallace.

Mr. Bartlett farmed in the Foxboro area and was a store

keeper in Stirling for 17 years. He operated what is now the Stirling Food Market. Mr. Bartlett, who is now semi-retired, works as a realtor.

Mr. and Mrs. Bartlett are members of the United Church. For their anniversary the couple received a tea pot and cream and sugar set from the Stirling Women's Institute which Mrs. Bartlett is a member. Also members of the family and neighbors brought gifts and greetings. The Bartletts have two daughters, Mrs. Gordon (Marie) Garrison, Frankford and Mrs. Douglas (Phyllis) Campbell, Stirling and five grandchildren.

Rylstone WI

On Wednesday afternoon, Sept. 2, Rylstone Women's Institute held the regular September meeting in the W. I. Hall. There was an attendance of 11 ladies and two children.

In the absence of the president, Mrs. E. L. Anderson, the meeting was in charge of Mrs. Ray Stewart who opened the meeting with the Institute Ode and Creed.

There was some discussion about having card parties through the winter months, and it was decided to hold them on Saturday nights again this year. Opening date to be announced in the near future. A Games Committee will be chosen at the October Meeting.

Mrs. Paul McKeown and Mrs. Austin Dunk were elected to attend the Senior Training

School on "desserts" to be held in Stirling soon.

Mrs. Ellis Jones, convener for Public Relations was in charge of the programme which consisted of readings, "May He Always Be A Country Boy", by Mrs. Ross Dickie, and "Profits of Praise", by Mrs. Austin Dunk.

There was a draw for a bouquet of asters and a jar of pickled beets won by Mrs. Don Stewart.

Wilfred Spencer then provided a very interesting show of slides of his trip to the Western Provinces last summer. Mrs. Ernest Irwin voiced the thanks of all the ladies for Mr. Spencer's fine entertainment. There was also a display of favourite snapshots.

Lunch was served by the hostesses, Mrs. Ray Stewart and Mrs. Hector Arnold.

Mrs. Ethel McCaughan of Hastings Manor, Belleville, had the misfortune to fall and break her leg on Thursday last, and is progressing favourably since her operation on Sunday in Belleville General Hospital.

Ned Potts, formerly of Stirling and Mrs. Potts, visited friends in the Village recently. Mr. Potts is vice-chairman, Union Carbide Pan American, Inc., a subsidiary of Union Carbide Corporation, New York, N.Y.

Weekend guests of Mr. and Mrs. Edwin Warren were Mr. and Mrs. Hampton Dickson, Hamilton, Mr. and Mrs. Willis Clarke and Sheryl of Kingston and Mrs. Gerard Ryan, Kelly and Shannon of Pickering.

Mrs. Frank Oosting, Old Marmora Rd., is a patient in Belleville General Hospital.

Mrs. Jack Libesey Stirling, has returned home from the Kingston General Hospital after a stay of three weeks.

Mrs. Jean Bentley (nee Armstrong) of Chula Vista, California and Mrs. Eleanor Gibson of Toronto, Ont. were Friday guests of Mr. C. I. Macklin.

Robbie Hatton was a guest last week of Mr. and Mrs. Gary Poste and family and Mr. and Mrs. Charlie Poste, Toronto.

Mr. and Mrs. R. L. Hatton recently attended the Dominion Hardware Convention in Toronto.

Mrs. Jack Livesey, RR 4

Stirling, is a patient in Kingston General Hospital.

Mrs. Blanche Reid, Edward St. Manor, celebrated her 88th birthday on Monday. She received a number of visitors.

Mr. and Mrs. Hector Eggleton, Stirling, Miss Thelma Murphy and Miss Marlene Murphy, Trenton, attended the Murphy-Jessome wedding at Florence, Nova Scotia on Saturday.

Mrs. Duncan Montgomery returned home Sunday night

after spending the past week in Toronto with her daughter Mrs. William Dawson and her husband.

Mr. and Mrs. Edwin Warren accompanied by Mr. and Mrs. Albert Warren, Kingston, had a trip through the Adirondacks over the weekend.

Dr. and Mrs. Hugh F. Davidson and Cathy of Toronto were guests of Rev. and Mrs. Donald MacInnes on Wednesday and Thursday at their cottage at Oak Lake.

Mrs. Gordon Nelson and Mary

of Keswick, spent last week with Mrs. Warren Harlowe and Mr. and Mrs. James Bailey.

DISH DIVIDER

Use aluminum foil to divide an oblong baking dish. Place small amounts of leftovers in each section to warm. Not only does it have everything warm at one time but it saves washing many pots and pans.

Mount Pleasant

(By Mrs. Percy MacMullen)
Mrs. Alina Reid and Mr. and Mrs. Ralph Reid spent a few days in Nova Scotia. On August 29th they attended the wedding of the former's son, Malcolm Reid, of Kingston, and Rose Elizabeth Kennedy, daughter of Mr. and Mrs. John David Kennedy. The wedding was solemnized in St. Thomas Church, Salmon River, Nova Scotia, and the reception followed in the Legion Hall at Antigonish. Ralph Reid was

groomsman for his brother. On Saturday, September 5th, two wedding ceremonies were held in Mount Pleasant United Church.
At 12 o'clock noon Nancy Marian, daughter of Mr. and Mrs. Donald Johnson, was married to Donald Joseph Ladner. Streetsville. The reception was at the home of the bride's parents.
At five p.m., Eleanor Suzanne Bailey, daughter of Mr. and Mrs. Archie Bailey and Glenn

Douglas Humphreys, of Rexdale were married. The reception was held at Island Park.
Mr. and Mrs. Murray Isnor and three children, Toronto, are now residing in the house owned by the Sharp brothers, Pump Street.

Mr. and Mrs. Roger Barrett and two children, of Trinton, have moved to the Carleton Place farm, Fourth Concession.
Mrs. Robert H. Heard and children, spent a few days with her parents, Mr. and Mrs. Chas. Tamin, at Capreol, Ontario.

Mrs. Kathy Sharpe spent a week in Peterborough, with her sister, Mrs. Jack Oliver and Mr. Oliver.

Mr. and Mrs. Ted Simpson have taken up residence in their old home on Pump Street.
Mr. and Mrs. Kenneth McConnell and baby Christopher, moved to Oshawa on Friday, where Kenneth will continue his course of study.

Mrs. Leonard Sharpe was tendered a birthday party at the Senior Citizens' Club on Thursday, complete with a decorated cake and song. The refreshments were provided by Mrs. Burton Sharpe, Miss Carol Sharpe, Mrs. Norman Parker and Roy Thrasher.

Approximately 70 people from here attended Stirling Fair on Saturday. Kenneth Weaver was awarded a Service Diploma.

Mr. and Mrs. Kelt Williams and children, of Stoney Creek, spent the holiday weekend with his parents, Mr. and Mrs. Sid Williams.

Norman McConnell has returned home from Toronto General Hospital, where he underwent surgery.

Mrs. H. S. Montgomery, Toronto, spent the holiday weekend with Mr. and Mrs. Raymond McConnell.

Mrs. Percy MacMullen has recently received cash donation from Clifford Hubble and Clarence Chard for the upkeep of Hubble Hill Pioneer U.E.L. Cemetery.

Miss Muriel Peake, Lakeside, spent three weeks with her grandmother, Mrs. Norman McConnell.

Mr. and Mrs. Sid Demorest, Marmora, entertained in honor of her parents, Mr. and Mrs. Percy MacMullen, on the occasion of their 54th wedding anniversary on Sunday, September 6.

Mrs. Nell Tifford, Burlington, spent last week with her parents, Mr. and Mrs. Harry McAdam.

Mr. and Mrs. Harold Rowe, Mr. and Mrs. Douglas Rowe attended the Reid — Kennedy wedding in Nova Scotia.

Milk Plant To Close

Heavy operational losses during the past two years are forcing the long established Quinte Milk Products plant at Wellington to close.

Company officials said today that the plant will close down Oct. 1 and that arrangements were being made to shift the milk supply to other plants.

By the Wellington plant's

closure 30 employees will be thrown out of work. They have been given one month's notice and severance pay.

J. L. McCutcheon, company president said in a company statement, every effort was being made to place the employees in other jobs. The employees he said "were the victims of circumstances."

MRS. FLORENCE PARR

AREA DRAINAGE MEETING
Wednesday, September 16, 1970 at 8:00 p.m.
D. E. Present

There will be a Drainage meeting in Thurlow Township Hall, Cannifton, Ontario. This meeting is being arranged by the Department of Municipal Affairs. It is particularly important to Municipal officials in the Quinte area. The information is also valuable to any County farmer interested in and planning a drainage program. This type of work is growing steadily and the recent addition of another drainage

machine in the County will help considerably.

The meeting will feature four very short talks and will include a good deal of time for questions and answers. The talks can be listed under the following four headings, each one runs about ten minutes: (a) Initiating Drainage Works, (b) Principles of Assessment, (c) Recovery of Assessments, (d) Financial Management of a Drainage Program.

Farm operators interested in drainage including Municipal drains and tile drainage are cordially invited to attend.

SCHOOL BOX SCHOOL LUNCH BOX FARI

In just a few more weeks school reopens and you will be faced with the daily task of satisfying your children's food wants and needs in a boxed lunch. Perhaps the following will help make this a little easier for you and more enjoyable for your children.

Plan lunch menus a week in advance to avoid monotony. Remember to include only those foods which will carry well.

The lunch must be interesting and appetizing and as well, must provide 1/3 of your child's daily food requirement. Four food groups are usually included: milk (to drink or eat), meat or meat substitutes, fruit or vegetables (raw or cooked) and bread.

By using different types of sandwich fillings and varying the kinds of bread (whole wheat, brown, enriched white, etc.), sandwiches can become a treat. Include colourful fruit and vegetable snacks and occasionally, a special treat. Remember that a little time in planning attractive and nutritional lunches that provide variety in colour, texture, temperature and flavour, can prevent noontime boredom in your child's lunch.

BEEF FEEDER'S GUIDE

H. Ivan Bell

Bob Murray, Beef Cattle Specialist, Ontario Department of Agriculture and Food has recently supplied your local Department of Agriculture and Food Offices with a supply of slide tables called a Feeder's Guide to Estimate Expected Gain on Cattle.

On the back of the table is a list giving the composition of common feedstuffs and an indication of the feed intake of finishing cattle on various types of feed. The slide portion of the table gives the feed requirement in terms of pounds of total digestible nutrients and pounds of crude protein per day for cattle ranging in weight from 350 to 1099 pounds and for an expected average daily gain of 1 pound to 3.4 pounds. For example, according to the table a steer weighing 700 lbs. and gaining 2 pounds per day would require approximately 11.3 pounds of TDN and 1.78 pounds of crude protein or a steer of this weight and consuming these amounts could be expected to gain approximately 2 pounds per day.

Variation with individuals will occur and it should be emphasized that the tables are average only, however, it is felt that this Feeder's Guide can be a useful tool for rapid calculation in the hands of the beef cattle feeder.

LETTER TO THE EDITOR

Manitoba and Saskatchewan now do this. Why not Ontario? Some provinces without big corporations and high incomes within their boundaries must rely on sales taxes on the little man, but not prosperous, industrial, wealthy Ontario. No one enjoys paying taxes, but if taxes are to be levied, they should be fair and equitable, but the Ontario Retail Sales Tax isn't.

It should be abolished.

JOHN C. MEDCOF

The Editor

The Ontario Retail Sales Tax should be abolished. It is unfair, awkward to collect, and presses most severely on those who can least afford it. If Ontario imposes income tax, it should end sales tax.

In 1968-69, sales tax produced about \$48,587,552.53. Provincial income tax collected by Ottawa was \$620,475,685.33. Ontario collected about \$90.00 per head from income tax and \$70.00 per head from sales tax. At 1969 rates, a married man with a wife and two children earning \$90.00 weekly, paid about \$62.40 per year in Provincial income tax, or about 1 1/4 % of his income. He paid 5 % sales tax on what he bought, subject to exemptions; a higher percentage in sales tax than in income tax. The little man pays the same 5 % as the millionaire and must spend a higher proportion of his income just to survive. Income tax is at least progressive and ranges from nothing on incomes under \$1,100.00 with higher percentages on higher incomes. This is fairer than sales tax.

Sales tax is awkward to collect. Thousands of harassed storekeepers are forced to be underpaid revenueurs and collection costs run about 3 %. Meanwhile, Federal machinery for collecting income tax exists. By simply increasing the Provincial income tax collected, Ontario can raise the extra revenue needed at no extra collection cost. Quebec,

On Sunday, the home of Mr. and Mrs. Clarence Thomson was the scene of a happy gathering when over 50 children and grandchildren of the late Mr. and Mrs. Herbert Spencer with their families, met to honour Mr. and Mrs. Fred Husband (the former Gladys May Spencer) of Napanee, who have been married for 40 years.

The anniversary celebration had to be postponed from February owing to a lot of illness among family members, bad weather, etc.

Mr. and Mrs. Husband were married at Napanee on Thursday, 5, 1930, by Rev. H. W. Foley. Their attendants, Mr. and Mrs. Wilfred Spencer (her brother), and her sister, Mrs. Ellis Jones (the former Winnie Spencer), who supplied wedding music, were all present at the "ruby" anniversary. Mrs. Husband's only living aunt, Mrs. Percy Mumby of Springbrook, was also present with her husband.

The bride and groom of 40 years were seated at a small table covered with a linen cloth on which was centred a beautifully decorated anniversary cake flanked on either side by white candles in ruby and white candle holders.

Wilfred Spencer was master of ceremonies and gave a short resume of the wedding 40 years ago for the benefit of those who were not present. Six little girls, Lori-Anne Doher, Sandra Sheaff, Roxanne and Nancy Spencer and Vicki and Marci Lounsbury, all grand nieces of the bride, presented her with a decorated aluminum tray and a bridge set in a plastic holder. There were also several anniversary cards and one special one containing cash donations.

All enjoyed a smorgasbord dinner with Mr. and Mrs. Husband and their attendants at

their special table.

Bagpipe music by Bob Spencer delighted his listeners and music was also supplied by hi-fi during the day.

The affair had been planned for the spacious lawn and garden, but as the long awaited rain arrived, it had to be moved into the house which was ideal for such a large gathering.

Guests were present from Napanee, Belleville, Orono, Peterborough, Campbellford, Springbrook and Rylstone. All wished "Gladys and Fred" more happy years together.

Mr. and Mrs. Husband thanked all for their thoughtfulness and gifts, and all sang "They Are Jolly Good Fellows".

The celebration was planned by nieces Mrs. Clarence Thomson and Mrs. Philip Sheaff assisted by their sisters and cousins.

THE BIBLE

TODAY

A recent resident of a house in Sydney, Australia, run by Anglican deaconesses was a Muslim girl from Tanzania. By agreement the hosts tried not to influence their guest away from her faith or dissuade her from reading the Koran — but they did remember her in prayer, according to the teller of the incident.

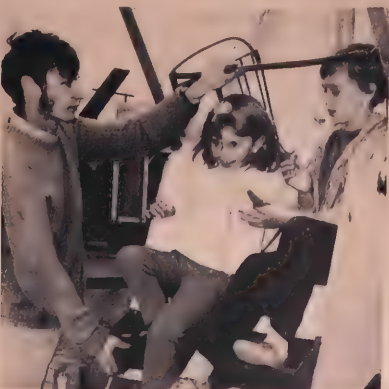

One day copies of Scripture was distributed in the house. The Tanzanian youth showed in her face "an unspoken yearning, an inarticulate request. With a simple gesture a copy was tentatively tendered in her direction, and with an eager response a New Testament was accepted. No one knows the details of her reading, nor the way in which the Spirit moved in her soul to bring to life the words she had read. But sometime later she left a note for all to see." It said:

"My dear sisters: I have accepted the Lord Jesus Christ as my Lord and saviour. The words of St. John's Gospel have been ringing in my ears for a long time. I know that the Scripture is truth. Thank you for your prayers."

COUNCIL WILL TRY TO SAVE STIRLING DIVISION COURT

Stirling village council Monday night rejected a suggestion that the Stirling Division Court be closed in favor of a central court at Madoc, beginning in 1971.

A letter from Hastings County Judge J. C. Anderson, asking the village to agree to relinquish its Division Court, was read to the

members of council by Clayton Tummon, John St., clerk of the Fifth Division Court.

After a discussion of the contents of the letter, council passed a resolution which said that the discontinuance of the Stirling Court would be a great disservice to this community,

particularly in view of the fact the population of the village and surrounding area is growing.

Reeve D.W. Rodgers, who spoke out strongly against the judge's suggestion, said he preferred to have the court moved to Belleville rather than Madoc, if it had to be transferred, since Belleville is five miles closer to Stirling.

The division court clerk said the judge's plan apparently would mean that summonses would continue to be prepared locally, but would then be forwarded to Madoc to be served.

A copy of the Stirling resolution will be sent to Judge Anderson.

PE-Hastings Liberals Plan Annual Meeting

George Cunningham, Liberal candidate for Prince Edward-Hastings, reports that a number of good resolutions have already been received for consideration at the annual meeting tonight at Batavia Recreation Hall.

One of the resolutions expected to cause a heated debate states that if a guaranteed annual income is introduced in Canada, senior members of the work force should be given first chance to take advantage of it and allow the young people to enter the work force.

For example, if a workman was 60 years old and was eligible for a \$5,000 pension at age 65 but could get a pension of \$4,000 a year by taking an early retirement, then the most economical thing to do would be to pay him \$1,000 per year until he reached 65 and could collect old age pension. The sponsor maintains that it would be much cheaper to allow the older citizens to retire early and supplement their pensions than to pay healthy young men \$4,000 a year to sit around and do nothing because there were no job openings.

One of the resolutions at last year's meeting suggesting that the Federal government take young men into the army for the summer months, was adopted this year and 50,000 young men were trained in basic military drill this past summer and paid \$7 per day.

Several prominent members of the riding executive including Anthony Daciar of Batavia and W. R. Menzies of Trenton have stated they intend to run for the presidency vacated by Don Jess. William Lane of Picton is also expected to stand for president of the riding association.

Mr. Cunningham stated that he had received confirmation that Russell Honey, MP for Northumberland-Durham, would be present for the 85th birthday party and dance that the Northumberland Liberal Association is sponsoring on Saturday, September 19 at Presqu'Isle Hotel for Grant Quick. Mrs. Quick has been a long-time supporter of the Liberal party in Northumberland and this is our way of saying "Thank You", stated the president, Don McPherson of Colborne. The party will be free

for all Liberals.

It is planned to make this fall party an annual event and hopefully to have at least one senior member from each township and town recognized for the work they have done over the years. Mr. and Mrs. Bernard Webb of Murray Township have already been nominated for next year's party and each area will be asked at the annual meeting to submit names. The party at Presqu'Isle will be both a dance and corn roast and Eben James of Trenton has volunteered to provide enough corn for at least 500 people.

Power Cut In Village On Monday

Part of the downtown section of the village was without electricity for three and a half hours Monday afternoon while Ontario Hydro workmen carried out major work at the rear of the new Bank of Montreal property at the corner of Front and Henry Streets.

Three big Hydro trucks and nine workers were on the job for the operation, which involved replacing an old transformer structure as well as installing a new transformer for the bank building, now under construction.

H. J. Cox, Frankford area manager of Ontario Hydro, described the project as a "general rehabilitation" of Hydro facilities in this particular location in the village.

Preparatory work for the major operation was carried out last week.

Springbrook Midgets In Semi-Finals

The Springbrook Midget B Softball Club have received word that they will now meet Beamsville in the all-Ontario semi-finals, with the first game being played in Marmora at 8:00 p.m. this Saturday night.

It is hoped that the Springbrook team can continue their winning ways. This team has had great fan support and it is hoped that this will continue this Saturday night.

The winners of this series will meet Haileybury in the Ontario finals.

Traffic Survey

The Department of Highways conducted a traffic survey in downtown Stirling last Thursday at the corner of Front St. W. and North St.

The survey, conducted by Douglas Wilson, consisted of taking a count of the number of cars, short trucks and long trucks that passed along Front St. or turned left onto North St.

Mr. Wilson used a special counting board with four groups of digital machines. With the aid of this and a chart, he was able to keep track of the traffic flow.

Mr. Wilson said that he did not know why the survey was being conducted but he suggested that it might be used to indicate whether a set of traffic lights is needed at the corner.

WILF CARTER VISITS STIRLING

Country and western artist Wilf Carter paid a brief visit to Stirling last Friday night prior to his appearance at the Trent Valley Jamboree

at BCVS Saturday night. During the night at Belleville, he was presented with a plaque by Stirling reeve, D. W. Rodgers, recognizing

him as being the first artist to become a member of the Canadian Country Music Hall of Fame. He is seen here at Stirling Towers Nursing

Home with Jack McCaughen and Kenneth Stapley, co-producers of the Jamboree, Wayne McCaughen and Mrs. Jack McCaughen.

Trenton Industry Protests

Council Won't Lower Weed Cutting Bill

Stirling village council Monday night refused to lower the amount of a weed-cutting bill submitted to a Trenton firm which owns a parcel of vacant property south of St. James St. here. Cosmos Imperial Mills Ltd.

(formerly Trent Cotton) will be required to pay \$35 as the cost of cutting noxious weeds on the Stirling site.

C.A. Baker, manager of the Trenton firm, wrote to the village, complaining that the weed

cutting price appeared to be "completely out of line" with that charged in previous years. He said his company had always been co-operative in paying the municipality for cutting the weeds on this particular property.

In a letter of reply, Reeve D.W. Rodgers pointed out that the Cosmos Imperial property is extremely rough, having been ploughed in recent years, and that the firm was charged only \$5 per hour, for man and machine.

The letter also noted that it is the owner's responsibility to cut weeds; the municipality acts only when the owner fails to. It is always the hope of the municipality that the minor penalty charged for the cutting of the weeds will prompt the owner to assume his responsibility in the future, the letter said.

Members of council agreed that the bill submitted to the Trenton firm was reasonable and declined to lower it.

Official Plan Gets Approval of Council

Bylaws adopting an official plan and land use zoning were given three readings by Stirling Village council Monday night.

The official plan and the zoning bylaw are the culmination of many hours of work by members of the local planning board, held just ahead of the council meeting, Reeve D. W. Rodgers expressed his appreciation for the board's efforts and said Stirling was well

ahead of most Hastings County municipalities in the field of planning.

The firm of Philips Planning and Engineering Ltd., acted as consultants to the planning board in the preparation of the official plan and zoning bylaw.

The official plan requires the approval of the Minister of Municipal Affairs while the zoning bylaw is subject to the approval of the Municipal Board.

Women's Institute Goes on Bus Trip

The September meeting of the Women's Institute was held at the home of Mrs. Harry Jones with an attendance of 13 members and four visitors.

The minutes of the last meeting were read and approved and the treasurer's report given. Collections were taken by Karen Eggleton and Anna Marie Jones.

A pen was sold to Mrs. Grills and \$8.00 for quilting reported. Roll call was answered by "Helpful Hints for Gardening." Current events was taken by Mrs. Tanner. The bus trip with Ivanhoe was discussed.

Anna Marie and Karen played several piano numbers. Mrs. Wannamaker gave a talk on the precarious position of the agricultural industry; its dependence on government policies and world markets. If the industry were thriving, the threat of substitutes would be a challenge. A major effort must be made in the dairy industry and manufacturers alike to produce and sell products satisfactory to the consumer.

Several games of bingo were played. Mrs. Tanner, Mrs. Reid and Mrs. Ward were the winners. Readings were given by Mrs. Ward and Mrs. Cook.

Lunch was provided and a

vote of thanks moved by Mrs. Montgomery.

On Wednesday, September 9, about 20 members and friends of the Institute accompanied Ivanhoe Institute on a bus trip to Serpent Mounds Provincial Park, where one woman was heard to remark, that she hoped her bones wouldn't be exposed that way in some 400 years.

At Lang Village, the travellers were charmed with the old-fashioned ways of life portrayed. Next, they journeyed to Peterborough Lift Locks and the Look-Out, by-passing a visit to the museum in favor of several hours shopping and a delicious evening dinner at the Miss Diana Restaurant.

Everyone was happy with the trip.

LEGION NOTES

The OLD CONTEMPTIBLES ASSOCIATION, Toronto Branch, (now inactive) nearly wiped out in 1914 by the enemy, still call each other "Chums".

Wonder where 90 Chums were on meeting night, September 1, 1970, when present were only Weiger de Jong, Ray Faulkner, Ray Tanner, Elwood Wilson, Russell West, George Noble, Bert Bastedo, Stan Kosmack, Allan Lawes, Fred Heasman, Bob Cooke, Gordon Apperly, new member Jerry Melton, Cec Solmes, Herb Wall.

Special night, Saturday, September 19, with Ernie Dempster at 9 p.m. with our ladies - come join the gang.

November 11 is only 8 weeks away. Let's pitch in and make it a bigger and better one.

Dominion president J. R. Locke, O.B.E., is 63 years old, a lawyer and public speaker and vice-chairman of The Last Post Fund.

See you at the next general meeting, October 6 - your presence is requested.

New Anglican Rector Assumes Duties Here

Rev. Charles E. Staples has assumed his duties as rector of Anglican parishes at Stirling, Frankford and Glen Miller.

A consultant in college work for the past eight years at the national office of the Anglican Church of Canada, Toronto, Mr. Staples succeeds Rev. M. J. Caswell, now the rector of St. George's Church in Trenton.

A native of Belleville, Mr. Staples served as rector of the Cardinal parish for three years before joining the national office

and prior to that, he spent one year as chaplain of the DEW line.

Earlier, he served as curate at St. George's Cathedral, Kingston, for three years after doing postgraduate studies at St. Augustine College, Canterbury. He also served as rector of the Plevna parish for three years.

Mr. Staples is married to the former Elizabeth Oblander of Ottawa and they have three sons, Andrew 6, James 3, and Bruce, 1.

McComb Shows Grand Champion

The Glenalcomb herd of Allan B. McComb and Son, R.R. 5, Belleville, provided strong competition at the Hastings County Black and White day held September 5 at Stirling, taking the Premier Breeder and Premier Exhibitor honors as well as the Grand and Reserve Grand female championships.

Judge Maurice Jebson, Beaverton, Ont., did an excellent job of lining up the classes and gave reasons for his placings. The show was completed by 3:30 p.m. Cattle were well presented and Judge Jebson remarked on the good quality of the 63 animals brought out by 17 owners. The new Ontario Dairy Princess, Dianne Gunning, reigning Hastings County Princess, was an honored guest.

Glenalcomb Happy Rosemary "Excellent" who headed the class for dry cows, had the strength of constitution and capacity of body to place over the first prize aged cow in milk. At nine years of age, Rosemary was made Senior and Grand Champion, with Glenalcomb Supreme Reta taking the Reserve awards. Reta had a smooth tail setting and a flat, level rump, good balance over all, and nice udder attachment which won for her the Best Udder award.

Alton Goodman and Sons, Stirling, showed the Junior Champion, Englehard Stella, who was first prize senior yearling heifer. Stella was tall and sharp, with good legs and plenty of dairyness. The Reserve Junior Championship went to

the winning senior heifer calf, Harmony Ranch Rockman Violet, shown by Cecil Chase and C. Trevorton and Son, Plainfield. This was a well developed heifer, large for her age, with depth of body and a smoothly blended shoulder.

In the bull classes, Kenola Premier was the first prize winner in the class for bulls two years and over, and was Senior and Grand Champion for Kenneth S. Thompson of Roslin. This was a stretchy, upstanding son of Rockdale President. The Reserve Senior and Reserve Grand Champion was second in the same class, Almerston Rockman Dan, shown by Alton Goodman and Sons, Stirling. Dan typed in well, with a wealth of body capacity, and moving on good legs. The winning senior bull calf was Junior Champion for Kenneth S. Thompson, Roslin. He was Kenola Rocky, a well developed, stretchy individual with nice tail setting and good legs. The Reserve Junior Championship went to Shur-Gain Rocket Jubilee who headed the yearling class for Sharp Brothers of Stirling. Jubilee was well grown, with good feet and legs. Allan McComb and Son had the first prize breeder's herd, first junior heifer and first yearling heifer, first 3 and 4 year old dry cow, first four-year-old in milk. T. Robert Flett, Oshawa, had first prize two-year-old and first three-year-old and Kenneth Thompson the first junior bull calf.

HYDRO CREWS AT WORK

Crews from Ontario Hydro were busy in downtown Stirling on Monday, installing

new transformers behind the News-Argus office and the Stirling Creamery. Power

was off for over three hours in a section of the downtown area. The crews were still

busy yesterday, completing the final connections for the installation.

Tentative Agreement Reached with Hydro

The tentative settlement reached last Saturday by Ontario Hydro and the Ontario Hydro Employees' Union on the terms of a new contract is "both fair to our employees and recognizes current economic conditions and our responsibilities to our customers," H.J. Cox, Frankford area manager, said today.

The settlement, which is still subject to ratification by the commission and the union's

11,500 members, provides for an average wage increase of 12.9 per cent over two years.

It ended more than nine years of bargaining, including 3½ months of mediation by the Ontario Department of Labour and a general work slowdown by Union employees which started August 27.

George Tathercole, Chairman of Ontario Hydro, in commenting on the settlement, said that while the varying wage increases provided for are comparable to current settlements in industry, "there is no doubt that they will add significantly to our costs of providing power." Cost to the commission will be almost \$18 million.

The new contract runs from April 1, 1970, to March 31, 1972. For trades personnel and most other employees, the 1970 wage increase will be 8.5 per cent, and the 1971 increase 7.25 per cent, including the 1.25 per cent prepayment of the escalator clause.

Among other contract terms are a vacation pay bonus for long service employees and, starting April 1, 1971, 100 per cent payment of premiums for the health plan.

Leeman-Finkle

On August 29 at 4:00 p.m. in St. Paul's United Church Jacqueline Ann Finkle, daughter of Mr. and Mrs. Gilbert S. Finkle, 241 Church Street, Stirling, became the wife of Harvey Elwood Leeman, son of Mr. and Mrs. Harvey Wilson Leeman, RR 3, Frankford.

Rev. Bruce Small officiated at the double ring ceremony and the organist was Mrs. Harold West.

The bride, who was given in marriage by her father, wore a white satin, empire waisted gown with baby doll sleeves and trimmed with white alecon lace. The veil was of four tiered illusion and fell from a headpiece composed of lily of the valley ribbon and lace. She carried a bouquet of pink roses and stephanotis trimmed with white ribbon.

Mrs. Nancy Angove, sister of the bride, was maid of honor. She wore a floor length dress of bonded crepe, made into an empire waisted gown with baby doll sleeves. The alecon lace matched the hot pink color of the gown.

Bonarlaw

Mr. and Mrs. Fred Revard and Mrs. Gaudette of Sudbury were weekend guests with Mr. and Mrs. William Burkitt and Brian.

The WI 2 held their meeting at the home of Mrs. C. L. McKeown with a large attendance of members and visitors.

Mrs. Stewart (nee Catharine McKeown) spent a few days with her parents.

Mrs. Berton Woodbeck opened her cottage at Oak Lake for the A.C.W. A pot luck dinner was enjoyed followed by regular meeting. St. Thomas A.C.W. were guests and the Deaneys president Mrs. Robertson was the guest speaker.

Several residents attended the funeral of the late Mrs. Susan McKeown of Stirling on Wednesday.

Mrs. Grace Mathews is a patient in Belleville General Hospital having suffered a broken hip in a fall at her home.

Mr. and Mrs. Gordon Eggett and family have returned home to Thompson Manitoba, having spent some time with her parents Mr. and Mrs. Jack Eggett.

Water Tank Leaking

The Stirling municipal water tank has sprung a leak and, according to the man who looks after it, is losing about 1,000 gallons per day.

H. E. Cooke, general contractor, told the village council Monday night that it has not been possible, so far, to determine the location of the leak. At the present rate of leakage, however, the water loss presents no real problem, he said.

Reeve D.W. Rodgers suggested it might be a good idea to check with the Ontario Water Resources Commission as the best way of coping with the problem.

STEADY RATE

Eleven suicides per 100,000 population - a rate the same as 70 years ago - occur annually in the United States. The rate is 2.5 to 3 times greater among men than women, and rises with age.

Commemorative Stamp to be Issued

On November 4th Sir Donald Alexander Smith, a man whose perseverance was vital to the completion of a promised ribbon of steel linking Canadian confederation will be the subject of a commemorative stamp marking the 150th anniversary of his birth in Scotland in 1820.

Apprentice to the Hudson's Bay Company, Smith emigrated in 1838. By the time of the Red River Uprising of 1869-70, Smith was a senior officer of the Company and served as envoy to the Indians and Metis for the Canadian Government during negotiations for the transfer of the Northwest Territories.

Always interested in railways, Smith realized the Canadian west needed immigrants to fulfill a great potential. British Columbia had entered Confederation on the promise that a railway would be built and Smith, although not officially a member of the 1880 syndicate formed to build the line, risked his personal fortune to keep the venture afloat. The honour and recognition of his perseverance came with an invitation to drive the last spike in 1885, a year before he was knighted by Queen Victoria. He was raised to the peerage as Baron Strathcona and Mount Royal in 1897 while serving as Canadian High Commissioner to Great Britain, a position he held until his death in 1914.

The 6 cent Sir Donald Alexander Smith stamp was designed by Miss Dora de Pedery-Hunt of Toronto. It measures 24 mm by 30 mm and is printed in three-color lithography in yellow, brown and green.

Home Approved

The federal government has approved a loan application which will enable the Ontario Housing Corporation to proceed with the construction of a 12-unit senior citizen building on the north side of Church St., in Stirling.

Law Construction Company of Peterborough will build the two-story building which will contain 12 one-bedroom dwellings.

The federal loan for this housing is \$109,598.

The village council is concerned that sufficient grass land be provided around the building to make it attractive and pleasant for the residents. They hope to keep parking space to a minimum and at the rear of the building, since it is felt that none of the residents will own cars.

RUNNING SCARED

Downtown Stirling had somewhat of a small stampede on its main street Friday afternoon. A small pickup truck carrying two cows was travelling in front of Bird's IGA store on Front

St. The back of the truck flew open and the cows escaped. They were chased down Mill St., across the old bridge back to Front St., along toward James St. (where this picture was taken). They were finally cornered, after disrupting pedestrians and traffic, and driven into a barn behind Well's Ford Mercury Sales.

Mount Pleasant

(By Mrs. Percy MacMullen)
Mr. and Mrs. Milton Shaw attended the wedding of their cousin, Roger McAdam and Catherine Bryer at St. George's Anglican Church, Trenton, Saturday, September 12, and the reception at AMDU, CFB Trenton.
Mr. and Mrs. Douglas Campbell, Brenda, Donald and Joane attended a family dinner at Sun Luck Gardens, Belleville, in honor of the golden anniversary of her parents, Mr. and Mrs. Floyd Bartlett, Stirling.
Mr. and Mrs. Carl Dunham received word of the death of their brother-in-law, George Gatzky of Marmora. He was a resident of Mount Pleasant previous to his marriage to Millie Pounder. The funeral was held at the Howden Funeral Home on Tuesday, September 8.

Oscar Thompson, Napanee, was a guest Wednesday of his granddaughter, Mrs. Claire Knight, Mr. Knight and family.
Mr. and Mrs. Robert C. Hoard and Wallace entertained the Rawdon Hi-C group at their cottage on the island Wednesday evening.

We extend birthday greetings to Ernest White who will observe his 88th anniversary on September 22, also to George Weaver who will observe his 90th birthday on September 28.

U. C. W. HOLDS
Mount Pleasant United Church Women convened at the hall Tuesday evening, September 9, with 29 ladies in attendance.
Mrs. Garth Joslin presided and opened with a message and a welcome to her neighbor, Mrs. Eldon Chapman.

Mrs. Douglas Campbell read the July minutes and the roll call.
Mrs. Herbert Smith read various messages of thanks and gave a report of three official board meetings which she had attended.

Mrs. Vernon Harry reported for the July and August catering, which included a barn sale.
Mrs. Burton Sharpe gave the financial picture.

Mrs. Milford Wrightman presided over the program which she and Mrs. Harvey Couch had arranged. She read a message and all sang "Happy the Home".

Looking Backward

Many spirited games were enjoyed on Thursday at Senior Citizens. Fred Heusman, president, thanked Ernie Munro for the lunch he provided to over 40 present.

It looks like another bus trip is in the making, as soon as the leaves take on their autumn color.

There is no scandal to report this week, so let's look backward for a while. Do you remember away back when there was a hardware store where the News-Argus office now is? It was operated by David Martin and one of his main items of sale was lanterns and coal oil to light

them with. Rubber must have been scarce in those days, for he would pay us kids one cent for any old worn pair of rubbers. That one cent was about as good as a dime today.

Our other source of money was collecting bottles, rags, scrap iron and bones. These we sold to a fellow called Ash Cat Ashley and at his own price.

Do you know, if dis ole Scribe were a family doctor, at the peak of the cold and virus season, when I would be giving a record number of penicillin injections, I'd put this sign on my inner office - "To save time please back into the office." dis ole Scribe.

BUILDING PERMITS

Two building permits were approved by Stirling village council at its meeting Monday night.

Armstrong Lumber, 227 Front St., was given permission to erect a 24 by 48-foot storage shed, to the south of the main

building, at an estimated cost of \$3,000.
Walter Vanderkooy was granted a permit to erect a single family dwelling on Henry St., at an estimated cost of \$20,000. The house will have 1,196 square feet of space.

Stirling PeeWees Lose to Stouffville

The Stirling Legion Pee Wee softball team fell to defeat at the hands of Stouffville, the visiting squad Saturday night, by the score of 4 to 0.

The game was a hard-fought one, with the Stouffville boys hitting better than Stirling, which was the difference in the game.

The teams, otherwise, were very well matched. Dave Jeffs hurled 15 strikeouts in a losing cause for Stirling and Stouffville's pitcher

had five strikeouts and only allowed four hits, which proves the Stirling boys were not hitting at all.

Stirling, however, feel they can do better and force a third game back here.

Second game is scheduled for Stouffville Saturday afternoon at 3:00 p.m.

Former Stirling Man Murray Township Clerk

C. Kenneth Rose was officially appointed clerk to the Township of Murray on August 5, 1970. He will assume the duties performed previously by Angus Gunter who at that time was responsible for both positions, clerk and treasurer.

Under two bylaws which were read for the third time a week ago, Mr. Gunter will become treasurer. Mr. Gunter had previously drawn the attention of council to the overload of

work.

Mr. Rose was born in Sidney Township and received his primary education at school SS-17 and later attended the Stirling-Rawdon High school at Stirling. After leaving school, Mr. Rose joined the Bank of Montreal at Stirling and has been with that firm every since. He has been posted to other branches from Owen Sound to Nanawake. He came from Hamilton to the Murray Council.

where he was branch manager.

Changing his work will entail a certain amount of re-education for Mr. Rose and he plans to study a course on municipal clerks and treasurers by correspondence through Queen's University. Mr. Rose is married and his wife, Janet, is from Wellman's Corners. Mr. and Mrs. Rose have three children Penelope, 9; Christopher 7; and Randall, 3.

BACK TO SCHOOL

It was a relief for mothers when school started last week and they were able to

send their children off to the halls of learning. Here a group of young people enter

one of the portable class rooms to handle the large enrolment this September.

FALLEN TREE
A tree was blown down across Front St. near James St. during the high winds on Thursday.

No one was injured but the fallen tree blocked traffic until village work crews removed it. Close inspection revealed the tree to be quite rotten

which was, no doubt, a factor in causing it to fall. Photo by Roy Lewis

Carmel

Mrs. Retts Grills was hostess for the September meeting of Carmel Unit U.C.W. on Thursday afternoon. Mrs. Jim Keating was in charge of the meeting and opened with a welcome to the 16 ladies present. A hymn and prayer followed the scripture lesson Matt. 6 on "Labourers in the Vineyard". Mrs. Arthur Pyear gave the scripture comments using Labour Day as a subject. Mrs. Ron White gave a book review on "The Eighth Moon" by Betty Lord. Four ladies paid into the birthday box. Two people who had been in hospital were remembered by a gift or flowers, and several cards sent out.

For the program, Mrs. Bob Hearn used a skit on "Senior Citizens and Community Welfare", leading in a discussion. Mrs. Ernest Grills, Mrs. Gerald Grills and the hostess served lunch and appreciation was expressed to those contributing to the afternoon.

Mrs. Vi Nolan and Mrs. Ray Keating spent the weekend with the former's mother, Mrs. W. Morrissey at her cottage at Cash Bay. Mrs. Sid Murdock, Bowmanville, spent the weekend with her aunt, Mrs. W. Steinhauer. Mr. Wm. Runnalls was a Monday visitor of Mr. and Mrs. Garnet Grills.

Harry Hagerman, Mr. and Mrs. Jim Hagerman and Mrs. Retta Grills attended the funeral of the late Miss Alice Parker in the Campbellford Funeral Home. Miss Parker was a sister-in-law of Mr. Harry Hagerman. Barry Pyear, son of Mr. and Mrs. Douglas Pyear, returned to Guelpu University for his fourth year in the Science and Physical Education degree course.

Presbyterian Women Give Visiting Report

St. Andrew's Presbyterian Women held their meeting on Thursday, Sept. 10 at the church.

Mrs. D. Fargey, president, conducted the meeting. She welcomed everyone and read a poem entitled "When God is our Companion".

The roll call, a Bible verse containing the word "Teach", was answered by 12 ladies. The minutes, read by Mrs. K. Tompkins, secretary, were approved. The correspondence was read.

Mrs. D. Fargey and Mrs. R. Eggleton reported on visiting done in the holiday and everyone was asked to carry on visiting for the next month. Mrs. Fargey announced a wedding to be catered to and that the Fellowship Meeting would be at St. Andrew's this year.

Mrs. J. Johnston reported a quilt donated to be quilted by the ladies, the work of Mrs. W. Ray, Springbrook.

The offering was gathered by Mrs. J. Johnston, and dedicated by Mrs. Fargey.

Mrs. Fargey conducted the worship service, beginning with all singing the hymn "O Master Let Me Walk With Thee." She then read an article entitled "Do You Know The Shepherd?", based on the 23rd Psalm. The Psalm was repeated in unison. Mrs. W. Ketcheson offered prayer.

Mrs. J. Johnston gave the topic under the heading "Each one, Teach one." She spoke of the tremendous mission work done by Dr. Frank Laubach, ways in which learning was extended to those who had no schooling. He set up centres of learning, both of Christianity and other phases of life, teaching students, who, when he moved on, continued to teach others.

Mrs. Johnston read another article, "What We Can Do." This pertained to helping others to understand and

please God, not just to do things to please man.

Mrs. D. Fargey closed the meeting with prayer. Mrs. C. Trummon voiced thanks to the lunch committee for the refreshments.

Sweet Clover Pest

A serious outbreak of a new pest has wiped out a field of sweet clover near Belleville, raising a distinct and worrisome possibility that the pest could enter western Canada and threaten large acreages of sweet clover. The pest is called a sweet clover case-bearer.

Information on its control is skimpy. Scientists at the Canada Agriculture Research Institute are working as quickly as possible to establish effective non-chemical control measures. These could involve varieties resistant to the pest or insect parasites.

United Church Women Meet at Quin-Mo-Lac

"Every Christian is a steward," women of the United Church of the Bay of Quinte Conference were told. One hundred and thirteen women assembled at Camp Quin-Mo-Lac, September 11, 12 and 13 to discuss "Trends in The Church."

Devotions were led in a contemporary manner by a group from Renfrew Presbyterian. Objects of the natural habitat were used to demonstrate how resources are being destroyed. It was pointed out that new vision could overcome the ravages of pollution and restore the beauty and value of the surroundings. Mrs. C. R. Whitham, as Dean

of the school, was instrumental in advocating the "Do-it-yourself" program which took the form of a number of ventures. These were presented by means of panels, skits, illustrative demonstrations and buzz sessions.

The first venture led the trends by stressing that faith is the necessary beginning of Christian life. It begins with God and if it does not lead to action, it is a useless thing.

Another venture revealed that the definition mission is the purpose of life. Firstly, mission is people; secondly, mission is action and in order to function it must be a two-way street.

Mrs. K. Bentley, the editor of the new magazine "Free To Be", which replaces "College", stressed her concern for youth. A product of this modern age, Mrs. Bentley is anxious to learn the hang-ups of youth and will attempt to meet these needs.

Music was a delightful interlude of the weekend, under the direction of Mrs. Clarence Baird, Napanee, assisted by Mrs. Harry Harrison, Plainfield.

The location of Camp Quin-Mo-Lac on the south shore of Moira Lake makes a charming setting for groups in search of progressive ideas for any church purpose.

PERSONAL

Mrs. M. Brainard, Cleveland, Ohio, and Mrs. M. Fawcett, Fort Macleod, Alta., were guests last week of Mr. and Mrs. Earl Morrow and Mr. and Mrs. Glen Morrow, River Valley.

Mr. and Mrs. Archie Hargreaves and family, Montreal, spent last weekend with Mrs. Herb David and Mrs. Lenora Williams.

Mrs. Aleatha Douglas attended the 50th wedding anniversary on Sunday of Mr. and Mrs. David Thompson of Thomasburg. Other relatives attending were Mr. and Mrs. Harold Douglas, Mr. and Mrs. Jack Douglas and family, Mr. and Mrs. Richard Chapman and family, Mr. and Mrs. Marvin Scott and family of Almonte, who were in Stirling for the weekend.

Springbrook

Mrs. Fred McKeown, Mr. and Mrs. Arthur Reid, Mr. and Mrs. Cliff Anderson of Campbellford and Mrs. Etta Hailstone of Madoc spent last week at a cottage at Bentley Lake near Bancroft.

Mrs. Myrtle Cassidy spent Saturday with Mr. and Mrs. Douglas Fox, Stirling.

Paul Leonard, Petawawa, is spending some time at his home here. Mrs. Tom Turner, Winnipeg,

Manitoba, and Mrs. Jean Bauer, Waterloo, spent a few days this week with the former's mother, Mrs. Chris Bateman.

Mr. and Mrs. Ted Preston visited Mr. and Mrs. Richard Preston and family at Havelock on Sunday afternoon and spent the supper hour with Misses Jean and Isabel Preston at Peterborough.

Mr. and Mrs. Ben Acker, Oshawa, were weekend guests of Mr. and Mrs. Jack Reid and family.

A surprise guest

Daughters are sometimes unpredictable, so next time your daughter brings an unexpected guest home for lunch, here is a delicious, yet quick sandwich to prepare.

The Bakery Foods Foundation of Canada suggests that you first cut hamburger bun in half, then place sliced cheese, avocado, tomato slices, mayonnaise and lettuce on one half and top with other half. Add a few hot crisp french fries or potato chips if you like.

Orange ade and lime-iced baker's angel cake make a cooling end to this hurry-up meal.

When your daughter arrives home again that evening — hopefully alone — she will most probably be filled with praise for the mother who is such a great sport. Just hope that you do not have to be a great sport very often!

Avocado-Cheese-Tomato Sandwich

- 2 tablespoons soft butter or margarine
- 4 sliced hamburger buns
- 4 (1 ounce) slices Canadian Cheddar cheese
- 1 avocado, peeled and sliced
- 2 tomatoes, sliced
- 4 lettuce leaves
- Butter hamburger buns. Place 1 cheese slice on bottom half of

each bun. Cover cheese with avocado slices. Place two slices of tomato and a lettuce leaf over avocado. Cover with bun tops and secure sandwich with toothpicks if necessary. Cut in half; serve immediately. Yield: 4 Avocado-Cheese-Tomato Sandwiches.

Clarke Rollins, MLA, Critical of McKeough

In the opinion of Clarke Rollins, Hon. Darcy McKeough is listening to the wrong men.

Mr. Rollins, Progressive Conservative MPP for Hastings, told Hastings county council members recently that Ontario's minister of Municipal Affairs would do better to take advice from county councils than from men in Toronto.

Mr. Rollins, a former county warden with long experience in municipal affairs, is a strong advocate of the county council form of government.

And he says that he will make every effort to have Hastings county council continue as a

governing body as long as possible.

The hard-working Hastings MPP made this pledge to county council members as they, along with county and area provincial government officials, were guests of him and Mrs. Rollins at a barbecued steak dinner at the Eastern Star hall in Bancroft.

NEW BANKRUPTCY LAW COMING

OTTAWA—A report that may form the basis of new federal legislation on bankruptcy and insolvency will be presented to Corporate Affairs Minister Ron Basford in late September or early October.

Roger Tasse, Mr. Basford's deputy minister for corporate affairs, said Saturday the subject will be one of "considerable importance" in the next few months as a result of the report and proposed revision of bankruptcy legislation.

Mr. Tasse was chairman of the study committee that prepared the report. Also on the committee were John D. Honsberger, Toronto lawyer and bankruptcy specialist, and Pierre Carignan, dean of law at the University of Montreal. Committee secretary was Raymond Landry, Mr. Tasse's successor as superintendent of bankruptcy.

Mr. Tasse referred to the report during a discussion of corporate insolvency at the University of Ottawa's eighth international symposium on

comparative law.

At present, the court could exercise little real control in corporate bankruptcy because of the concept of corporate personality. This concept veiled the activities of the corporation officers. Quoting the late U.S. president Woodrow Wilson, Mr. Honsberger, said during the discussion, "The way to stop insanity (joy riding) is to arrest

the chauffeur and not the automobile."

Law Professor Frank R. Kennedy of the University of Michigan said a 1966 Canadian provision on dividends paid while a corporation is insolvent may prove attractive to the United States as a result of the recent Penn Central railway insolvency.

A court may hold directors personally responsible to creditors if a dividend was paid while the corporation was insolvent.

"There'll be some new law on the books after PennCentral," Professor Kennedy, editor of Collier on Bankruptcy, predicted.

Springbrook UCW

The regular meeting of Springbrook United Church Women was held Thursday September 3 in the church, with a fair attendance.

The president, Mrs. Lorne Bailey, opened the meeting with quotations from sermons, followed with prayer.

Mrs. Harry Haslett took charge of the worship, "Compassion in Today's World". Scripture was read by Mrs. G. McFaul. Mrs. Haslett read some verses on "What Would He

Say?"

Mrs. Bill McKeown had the theme, "God Reconciles and Makes Free", on Freedom, Peace and Reconciliation, based on several Bible readings, with an interesting question and answer period. Mrs. Haslett sang a solo, "Do You Know The World is Dying For a Little Bit of Love?"

The roll call, "A tension in our Time", was well responded to. The minutes of the last meeting were read by the secretary, Mrs. Clayton Burkitt, and the business dealt with.

Visits on sick and shut-ins were reported. Mrs. Burkitt gave a report in the absence of the treasurer.

The supply and welfare committee was given permission to purchase necessary articles. The committee was reminded of the Opportunity Sale.

Mrs. Beverly Storms supplied music and solo, "Mansion Over the Hilltop."

The president closed the meeting with a hymn, "Wonderful Love" and the

Offer Referred To Chamber

An offer to sell the village property to be used for parking space, Monday night was referred by Stirling council to the Chamber of Commerce.

Mrs. R. Tokley sent a letter to council, offering to sell the stone mill property to the municipality to provide more downtown parking.

Reeve D. W. Rodgers said the matter of providing additional parking currently is under study by a committee of the Chamber of Commerce and he recommended that the offer be forwarded to that organization.

County Formula Approved

Village council Monday night approved a formula advanced by Hastings County Council for arriving at Stirling's portion of the county levy for 1971.

Under the terms of the formula, the village would pay \$40,456, or \$2,643 less than in 1970, based on this year's assessment figures.

The formula, approved by county council involves 30 per cent of the provincial equalized assessment and 70 per cent of the previous year's levy.

Stirling's equalizing factor was set at 101.

Local municipalities will have until Nov. 1 to appeal their equalizing factors to the Ontario Municipal Board, Reeve D.W. Rodgers told council.

THE BIBLE TODAY

"If we go to the hospital, you're there. If we switch on the radio, you're there. And now you've come here too!"

This complaint was sounded by a customer in a bar in Nazareth, Ethiopia, to several of the 22 students who last fall participated in a scripture distribution training conference sponsored by the Bible Society of Ethiopia.

Distribution theories presented during the five-day conference were put into practice throughout Nazareth, including in bars. The unhappy drinker was overruled by other customers who asked to hear about the student's mission and then snatched their entire supply of 90 copies of Scripture.

"This book is not for me; it's for holy people," said the bartender in another establishment. "Who needs a doctor: a sick person or one who is well?" the students asked. "A sick person, of course," came the reply. The students quoted Jesus' words in Luke 5: 21, 3: "People who are well do not need a doctor, but only those who are sick. I have not come to call the respectable people to repent, but the outcasts!" — said the bartender bought two Scripture Port-

Marmora Mine Highlight of Tour

Mammoth diesel-electric trucks costing a quarter of a million dollars each and capable of hauling 105 tons of ore!

That was the type of heavy equipment seen in operation last week by members of Hastings County council as they visited the open pit mining operation of Marmora Mines at Marmora.

Six of the mammoth trucks, with tires nearly nine feet in height and costing up to \$5,000 each, have been purchased for use at the Marmora Mines with several of the vehicles already in use.

The six big trucks will be used to haul ore and rock out of the 500-foot deep open pit. When all are in use, the present 55-ton capacity ore trucks owned by the company will be phased out of operation.

"It's a straight matter of economics," commented the Marmora Mines engineer who acted as tour guide for the county councillors' visit.

The engineer said purchase of the \$250,000 trucks was a move

by the company to get ore and rock out of the mines as economically as possible.

In operation for the past 18 years, the iron ore mine with its more than 300 employees has been an economic shot in the arm for the Marmora area.

The mine operation sees 1.4 million tons of ore taken out annually. But to get at the ore 3.8 million tons of rock overburden has to be moved — and for a greater distance.

The ore goes to the mine crusher and is processed through rod and ball mills before going into the pelletizer furnaces.

A trainload of pelletized ore with cars holding up to 65 tons each, leaves the mines each morning for Pictou where it is loaded into lake freighters for shipment to Lackawanna near Buffalo.

The company estimates there is ore for from eight to 10 years of operation left at the mine.

The Marmora Mines open pit iron ore mine is the only one

of its kind in this part of Ontario. "Comparatively, it is a small operation," noted the tour guide. "Some mines in Quebec take out 18 or more million tons of ore per year."

Man Stricken After Bee Sting

John Georgiou, proprietor of Georgiou's Restaurant, Stirling, was seriously stricken after being stung by a bee last Thursday.

Mr. Georgiou was painting at Edward St. Manor when a bee stung him on the back of the neck. He lost consciousness soon afterward and was rushed to Belleville General Hospital where he remained for treatment and tests until Sunday.

Mr. Georgiou said he had not been previously aware that he was allergic to bee stings. There was no such reaction when he was stung as a boy, he said.

LEGION NOTES

Last executive meeting, September 15, was very businesslike and we list, for you, the coming events.

1. Sunday, Oct. 4 - District "F" meeting in Haliburton. Your executive will be present.
2. Next general meeting is October 6 and you executive invites you to join with them in a pot-luck supper. Social time is from 6:00 p.m. to 7:15 p.m. Dinner begins at 7:15 to 7:50 p.m. with meeting commencing at 8:00 p.m. sharp. We want you to attend and we invite our social members who can be present but cannot vote. COME ONE - COME ALL.

3. Our Halloween date is October 31 and we dance with the Goblins.

4. November 5, is the beginning of our Poppy Week, carrying on until November 11.

5. Church Parade is November 8 and we go to the United Church.

6. November 11 is Memorial Day with out parade and ends with the banquet at 7 p.m. Guest speaker will be announced later.

Today we have in our Legion across Canada, 300,000 members eligible. This means for every one of us there are six not with us, at least. When you know a veteran, put his name and address before Comrade Herb Wall. Let him and his committee investigate and see where he could be chosen and invited to join with us.

Quote - "They shall not grow old as we that are left grow old - age shall not weary them, nor the years condemn - at the going down of the sun and in the morning we shall remember them."

Menzies Elected Liberal President

A presidency of the Prince Edward-Hastings Liberal Association was won unanimously at Batavia last Wednesday night by William Menzies of Trenton.

"This is the first time that a union man has become association president," Mr. Menzies said. The new president is an Ontario Hydro foreman employed at No. 1 Dam on the Trent.

He replaced Donald Joss, formerly of Sidney Township. Mr. Joss, now retired and living in the Bahamas, returned to the riding for the evening's proceedings.

Two residents of Batavia captured senior party association posts. Anthony Daicak took the vice-presidency while John

Loucks became treasurer. Mel Boulton of Trenton remains as secretary.

Election of local party officers took place at Batavia Recreation Centre before an annual meeting crowd of 120 association members.

Several resolutions were drafted in the Batavia session, including one that Canada's domestic footwear and textile industries be protected by a quota system.

Other policy resolutions to be forwarded to senior governments will include recommendations that nursing homes be covered by Medicare, that the Trent waterway receive better advertisement and that the Prime Minister be invited to visit the riding.

Anti-German Measles Shots

With encouragement and help of the Ontario Department of Health, this Health Unit will undertake to vaccinate all the school children in Grades One to Four inclusive against German Measles.

The Springbrook Midget B O.A.S.A. team won their first game over Beamsville last Saturday night by a score of 1-0. This was the first game of the semi-finals for Ontario.

The second game will be played in Beamsville this Saturday night at 8 p.m.

Getting back to last Saturday's game, Springbrook got their run from their first batter in the first inning when Ron Bateman hit a single, stole second base, went to third base on an error at first and scored on another error when the ball got by the first baseman on a throw from the shortstop trying to get Maloney, who had hit. This one run stood up for the rest of a very exciting game.

The summary was as follows: Springbrook pitcher C. Campbell struck out 22 batters, gave up 2 hits and walked 2 batters.

Beamsville pitcher struck out 6 batters, gave up 4 hits and walked no one.

There will be a bus leaving for Beamsville on Saturday afternoon and anyone wishing to go should phone 395-3686 as soon as possible as there will only be room for about 25 spectators.

Both boys and girls will be included in the program, and considering that diagnosis of German Measles is not always easy, even the children who apparently have had the disease will be offered the immunization.

Your Public Health Nurse will be glad to give you any requested advice, and in special circumstances your Family Physician will of course be the final authority.

Accountant Transferred

Wayne Chambers, accountant at the Stirling branch of the Bank of Montreal since June, 1969, has been transferred to the Hunter and Rogers branch in Peterborough where he has been appointed officer in charge.

He will be succeeded by Larry R. Holland who has been employed at the bank's branch in Ingleside, just east of Morrisburg, Ont. Mr. Holland is the son of Mr. and Mrs. Roy Holland, who live between Stirling and Campbellford.

The moves represent promotions for both men.

Want schools used more after hours

Stirling Public Schools may be put to more use during evenings it was announced by George Patton, principal of the Stirling Marsh Hill School Unit.

Mr. Patton said that the students conducted a house to house survey recently to determine the potential use of Stirling Public Schools by the citizens of the community during the out of school hours.

The survey consisted of a questionnaire which in essence asked what hobbies or activities people of this community might like to participate in at the school.

The most popular activity indicated was sewing. Other activities and hobbies mentioned included sports, clay modeling and wood working, square dancing, speed reading, the study of new mathematics, and card playing.

More than 200 forms were returned to the school from the village and surrounding area.

David Smith, coordinator of the community school programs for the Hastings County Board of Education, has been working with the staff at the school and he, along with staff members, will meet the recreation commission on Thursday at the senior school to discuss the different aspects of the program and the results of the survey.

Mr. Patton said that a great interest in the program has been shown by the community and that people have indicated a willingness to assist in supervision and instruction capacities for the program.

The program is in conjunction with the Hastings Board of Education policy for the communities to make better use of school facilities.

Those wishing further information may call the office at Stirling Public School.

Fishermen Drown In Trent Canal

Police say no inquest will be held into the deaths of two Toronto men who drowned Saturday when their small boat tipped over in the Trent Canal at Glen Ross.

Cause of the fatal mishap which took the lives of Wayne Hardy, 25, and William Unger, 38, is not known.

Police conjecture that both men may have made repeated attempts to scramble up a wall fronting the canal near the Glen Ross Lock, but were unable to find a hold on its smooth cement surface.

Both men had been spending

the weekend near the Trent River - Mr. Hardy and his wife Linda, with relatives at Glen Ross and Mr. Unger at his cottage near Campbellford.

Police say the men set out fishing about 6:30 p.m. in a 12-foot aluminum boat, powered by a six-horsepower motor.

Shirley Towes of Glen Ross said when both men failed to return after dark, Mr. Hardy's father-in-law, Herbert Payne, went searching for them along the river.

About 11:30 p.m. he called on Mr. Towes for help and both men spotted the upturned boat near the lock almost immediately.

Provincial police sent skin divers to comb the canal bed at daybreak and the bodies were discovered shortly after.

Rally Day At St. Andrew's

On Sunday, September 27, at 11 a.m., the congregation and Sunday School at St. Andrew's Presbyterian Church will celebrate Rally Day.

Miss Freda Matthews of Belleville, a onetime member of the Sunday School here, will be the guest speaker. She is just back from Oberamungau and will have a colorful message for young and old.

The summer minister, Rev. Donald MacInnes, and the Sunday School superintendent, E. Burrell, will take part.

Chicken Supper

The annual chicken barbecue supper, sponsored by Stirling Encampment No. 80, IOOF, in the Odd Fellows' Temple on Charlotte St., on Thursday evening, proved to be a decided success.

Over three hundred and fifty people were served delicious barbecued chicken, which formed the main portion of the meal. Corn on the cob also was very tasty.

Work is progressing on Grace Chapel and the large new chapel is located on Edward St.

BASEMENT TAKES SHAPE

ASK THE PASTOR

Dear Pastor: I was given the idea that part of the Bible is a myth. For example Jonah and the whale. Is this true?

Dear Friend: The Bible is the Word of God and is all true. God inspired men to write as they did, and they told it as God spoke to them. II Peter 1: 20, 21. "Knowing this first, that no prophecy of the scripture is of any private interpretation. For the prophecy came not in old time but by the will of man: but holy men of God spake as they were moved by the Holy Ghost."

As far as Jonah and the whale... 1), It does not mention a whale but "a great fish." 2), It is true, as the rest of the Word of God.

If you have any problems or any questions, please mail them to:

Firemen Hold Field Day

Members of four fire departments of the Hastings and Prince Edward Mutual Aid Association participated in a field day at Manora where they competed against each other in various fire fighting skills.

The top team for the day was Manora with 33 points. Deseronto had 21, Frankford

17 and Stirling 15. Manora led in the equipment race, two-man coupling race, 24 foot ladder race, replacement race and bucket race. The 14 foot ladder race was won by Deseronto firemen; Frankford topped the efficiency race and Stirling came first in the hose cart race.

Cecil Neal, chairman of Manora Fire Department, attributed Manora's wins to team spirit and enthusiasm of the local firemen.

CHEVROLET, OLDSMOBILE, ENVOY, CHEVROLET TRUCKS

STIRLING
ONTARIO
September 21st, 1970.

To The Motoring Public:

We regret that the strike at General Motors Plants has resulted in an acute shortage of the new 1971 model Chevrolet and Oldsmobile cars. As a result we have had to curtail our New Car Announcements this year. We do expect to have on display September 28th a new Vega, Chevrolet's new little car and on September 29th, a new 1971 Oldsmobile Cutlass, Camaro, Chevelle and Chevy Nova along with a 1971 Chevrolet Pick-up. We regret that we will not have the all new Chevrolet and regular size Oldsmobile. Both of these cars have dramatic styling and engineering changes.

The new Chevrolet (Biscayne, Bel Air, Impala, Caprice) has a new longer wheel base of 121 1/2 inches, that is 2 1/2 inches longer than last year's, front power disc brakes as standard equipment plus ventilation. The style of the car has been dramatically changed with a new longer hood, new grille, new acoustically engineered double panel roof to counteract unwanted noise and many other styling changes. Truly a beautiful car.

As you can see, Chevrolet has changed. So has Oldsmobile. Both the new Chevrolet and Oldsmobile full-sized wagons feature an industry exclusive in their disappearing tailgate. At the turn of a key, the power window of the tailgate slides up into the roof of the wagon, while the tailgate proper slides beneath the load floor. Result: loading convenience you never thought possible in a station wagon.

The 1971 Toronado, 98, and Delta 88 series have a remarkable new chassis and suspension system that lets you float over rough roads. It's called G-Ride, and it's really a new sensation in driving comfort and pleasure.

I know you'll agree that these cars are worth waiting for. In the meantime, you are invited to drop in and see the models we have on display. As soon as the plants go back to work, we'll let you know so that you'll be able to see and drive these all new cars.

Sincerely,

Stirling Motors (Stirling) Ltd.,

Donald Williams

ENGAGEMENT NOTICE

Both families take pleasure in announcing the engagement of Susan Margaret, elder daughter of Mr. Philip G. Sanderson, and the late Mrs. Sanderson, of Glasgow, Scotland, to Stephen James, son of Mr. and Mrs. Bertram H. Cook of Stirling. Susan was born and educated in Liverpool, England, where she graduated as an X-Ray Technician. Prior to emigrating to Toronto last November, Susan resided in Glasgow, Scotland. Stephen received his education in Stirling and has been employed in Toronto for the past 18 months. He has recently accepted a position with the Federal Government in the Department of Public Works as a Leasing and Development Officer. The young couple plan to marry next May in Glasgow. 36-1

THE BILL SMILEY COLUMN

And What Have You Got To Tell?

by Bill Smiley

I don't advocate taking the law into your own hands, but can't help feeling a glow of satisfaction when a human being, in this age of anonymity and conformity, reacts to an intolerable situation with a fine individual rage.

We all have a wild streak in us, a spark ready to catch fire, but we usually manage to smother it under the wet blanket of society's manners and morals. And a good thing, too, but sometimes a pity. There is no better purge of tension than a good blaze of anger once in a while.

Sometimes this streak is warped, and it comes out in vandalism, sadism or blind violence.

But within every man, however humble and unassuming, bides a black panther. And within every woman, behind those smiles and make-up and hairspray and deodorant, lurks a leopardess. Just recently I went out to get some corn at a roadside stand. There were two bushel baskets and this awful woman and her slob of a husband were going through every ear of corn, ripping down the husks and throwing the discards back. This is the epitome of bad taste.

I stood behind them, waiting, blood coming to a boil. Just as I was ready to hurl a searing bolt of invective at them, the farm kids rolled up with a wagon loaded with big, green, luscious cobs, fresh off the stalk. I walked to the wagon, grabbed a dozen, walked back to the stand and plunked their juicy carcasses right down beside old greedy-guts, who had just paid for a much inferior dozen. The look on her face poured oil on my troubled waters.

Another strangling I contemplated was that of a German sergeant who had put the boots to me. "Just as soon as I'm untied, I'll kill him, even if

he kills me." But I wasn't untied for several days, and by that time we were buddies. I smoking his pipe and the pair of us abbering away in a stew of French, German and English.

These were comparatively simple incidents, but they happen to most people. (Let's hear about some of yours.) A couple of recent news stories convinced me that Man has not been turned into a grey cypher, even in this smothering society.

A chap in Miami had sent his prize dog, via airline, to Texas for stud purposes. The dog was worth \$25,000. The airline goofed, and somehow the dog was returned to Florida, where it was found to be dead of heat prostration.

Now, the logical, civilized thing to do would be to sue the airline. Of course, you might spend a year or two in the courts, with a possibility of losing the case and winding up with a mitt full of legal bills.

This fellow chose direct action. He went to the airport with an axe and started hacking at the underbelly of an aircraft. He did damage worth \$100,000 before he was stopped. Foolish, but somehow admirable. This is no computerized man. More like the Charge of the Light Brigade.

Then there was this 84-year-old gentleman who was living with a 59-year-old lady in her trailer home. She threw him over for a 72-year-old rooster, who kicked him out of the trailer.

What could he do? Go to the police? Nope. There was no charge he could lay. The lady had transferred her favors to another, and that was that.

But he wasn't felled. He struck back. He made a firebomb and set fire to the trailer, causing \$15,000 damage.

Boy, I hope I can be as jealous and resourceful as that when I'm 84.

The Argyle Syndicate

Fort-Parsonson

White gladioli adorned St. John's Anglican Church, Stirling, on Aug. 29, when at 4 p.m. Susan Helen Parsonson, the daughter of Mr. and Mrs. Howard L. Parsonson, became the bride of Arthur Charles Fort, son of Mr. and Mrs. Arthur J. Fort, Belleville.

The bride, who was given in marriage by her father, wore a floor-length creation of peau-de-soie. The U neckline and Juliette sleeves trimmed with insets of imported swirled French Guipure lace set off the empire waisted bodice. The coachman styled skirt with a cut away over skirt fell at the back in a train. The veil was three-tiered nylon with clusters of hand made nylon sheer flowers and simulated seed pearls. She carried a cascade of yellow roses.

The matron of honour was Mrs. Edward Bedore, Sudbury sister of the bride, Miss Linda Stumpf from Kitchener was a bridesmaid and Miss Kimberly Parsonson, a sister of the bride was the flower girl.

The bride's attendants were dressed alike with a high round neckline; gathered skirt stitched to bodice with an above normal waistline made of white lace. Each wore a yellow rose in her hair.

The best man was John Fort of Ottawa, brother of the groom.

Another brother of the groom, Richard Fort, was the usher.

A dinner was held in the church parlors following the wedding and then a party was held at the Legion Hall.

The bride's mother wore a blue crepe dress and coal ensemble white and black feathered pill box hat and corsage of white mums.

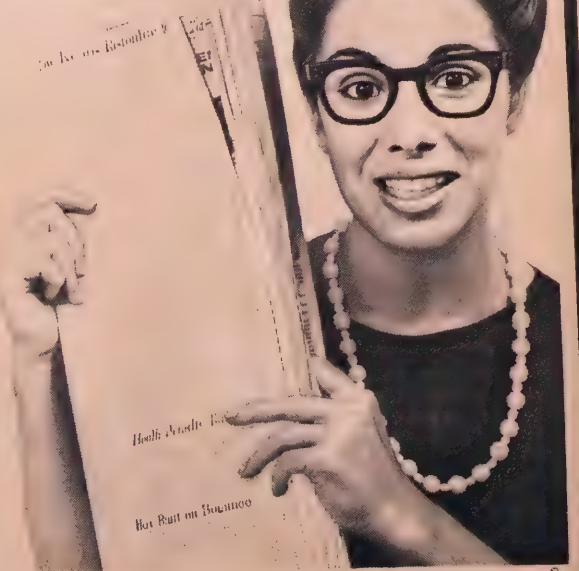

The groom's mother wore a brown crepe dress and yellow and brown feathered pill box hat with bone accessories. She also wore a corsage of orchids.

Two solos were sung at the wedding by Timothy Fort, brother of the groom. They were "O Perfect Love and Praise My Soul."

For a wedding trip to New York State the bride chose a gray long vest and skirt with a pink blouse and black accessories. She wore a corsage of pink sweetheart roses.

The couple will reside at 72 Nelson St. Kingston.

What's Bugging You!

If it is the cost and difficulty of finding a new home for your family, there is good reason to be bugged. But you are overlooking a very easy solution. You can knock hundreds of dollars off the price of the home you want by doing some of the work yourself.

The Rollins Lumber Self-Help Home Plan is designed with the not-so-wealthy family in mind. Top quality materials are used by skilled workmen to erect the basic shell home. Then the materials required for the interior finishing are supplied along with helpful directions. You take over and do the interior work yourself and save a great deal on labor costs.

In addition, financing is available with no down payment required and most of the red tape eliminated.

All in all, a great way to build a new home for your family provided work doesn't bug you too.

CALL MR. GEORGE MILLS AT 962-9184 OR DROP OUT TO FOXBORO FOR FULL DETAILS ABOUT THE ROLLINS LUMBER SELF-HELP PLAN.

Chatterton Women's Institute

The September meeting was held at the church hall with Mrs. Ralph Campbell as co-hostess.

The president opened the meeting with the opening ode and the Mary Stewart Collect. The roll was well answered with name a suitable gift for a shut in.

There was a short business period. It was moved that Mrs. Lugo MacInnes and Mrs. Bessie Reid attend the training school in Stirling on September 29 and 30.

The meeting was then turned over to the convenor, Mrs. Helen Reid on Health.

Mrs. MacInnes gave a reading "Everyday is a Little Life" and the members joined in and sang the institute carol.

Mrs. Reid introduced the guest speaker from the VON, Miss Truex of Belleville gave a most interesting talk on the history of the Victorian Order of Nurses.

She said the order started when Queen Victoria reigned. She explained what held they gave in the homes and how

they teach people in the home to care for the sick.

Mrs. Bob Hough sang a solo Let Their Be Light which was enjoyed by all, with Mrs. MacInnes at the piano.

The meeting closed with the Benediction and Grace after which lunch was served.

The Harold Girls 4-H Club held their first meeting September 15 at the Wellman's Women's Institute Hall. The meeting was opened with the 4-H Pledge and Motto. The new officers were then elected.

The leaders discussed with the girls: The Requirements of Club Members, How to Equip a Sewing Box, The Origin of Wool, The Characteristics and Qualities of Wool Fabrics.

Mrs. Alfred Akins demonstrated methods of identifying wool. As a group, the girls tried some of these methods. The home assignments were discussed and the meeting was closed with the benediction.

Pollution Seminar At Loyalist College

The Ontario Federation of Labour and the Council of Presidents of the Colleges of Applied Arts and Technology have set aside Saturday, October 17, 1970 as the date for seminars on the topic of pollution of our environment. These will be held at each community college in the Province.

Over the last few years, growing concern has been expressed in every sector of

groups, church organizations and all other associations in the Quinte Region, as well as to all concerned citizens who would like to be involved in combatting pollution in our area. The committee envisions the seminar not only as a forum for discussion and a means of providing information, but also as a vehicle for organizing local citizens' committees and anti-pollution groups within the Quinte Region on a permanent basis by those attending the seminar.

The attached Agenda outlines the format of the Seminar. The guest speaker will be Norman

Pearson, Chairman of the Centre for Resources Development, University of Guelph. In addition, seminar discussion group leaders will be drawn from varied local and provincial sources.

A reply sheet is also attached. Please return it to the College by September 25th, if you plan to attend. You will contribute greatly to the success of this seminar by checking those areas of discussion you would like to attend at the seminar, and by listing other citizens in your area who would be interested in involvement with this community project and would

like to receive this invitation. If you are unable to attend please pass this material on to a n o t h e r concerned representative, to your organization, or anyone else who shares our mutual concern over our environment.

Here's a definition of driving, quoted by the Ontario Safety League: "Driving is an interim activity tolerated by motorists to bridge experiences imperceptibly separated by distance, time and statutory speed."

Brown - Wilcox

On September 12, at 2:00 p.m. in St. Andrew's Presbyterian Church, Norma Florence Brown, daughter of Mr. and Mrs. Norma Brown, Stirling, became the bride of Thomas William Wilcox, Jr., son of Mr. and Mrs. Thomas Wilcox, Wilberforce, Ont.

The bride, who was given in marriage by her father, wore a long formal gown of white peau de soie fashioned in princess style, with high, stand away collar heavily beaded with seed pearls and crystal. The fitted wrist length sleeve, finished with a cuff of matching beading, had a built-in cathedral train falling from her shoulders. The flowered headpiece was of white bouvardia with a floor length veil of silk illusion. She carried a cascade of two gold orchids surrounded by talisman roses.

The matron of honor, Mrs. Donna Brockman, wore a long gown of Nile green chiffon over taffeta. The puff sleeves and empire waist were accented by silk braid of coral and green. She wore yellow baby mums in her hair and carried a basket of talisman roses, yellow and gold mums and fall wheat.

The bridesmaids, who were Miss Barbara Shortt and Mrs. Grace Holmes were dressed the same as the matron of honor.

The bride's mother wore a petal pink dress of rare moment silk with matching

lace coat. Accessories were navy with pink flowers in her hair taken from her own wedding hat. She also wore a corsage of white feather carnations and pale pink roses.

The bridegroom's mother wore a hot pink crepe dress with matching lace coat and white accessories. She also wore a corsage of white feather carnations and dark pink roses.

Rev. A. L. Sutherland officiated at the ceremony. The organist was John Devries.

The best man was Wayne Wilcox, brother of the groom. The ushers were Brian Lake and Garry Holmes.

A reception was held at the church hall. For a wedding trip to the eastern United States the bride chose a pink crepe pant suit with grey suede accessories. She also wore a corsage of white and pink elegant carnations in her hair.

There were two miscellaneous showers and a kitchen shower for the bride. One of the miscellaneous showers was held where she works at Bell Telephone in Toronto.

Out of town guests were from Foxboro, Belleville, Toronto, Ottawa, Montreal, Madoc, Wilberforce, Harcourt, Oshawa, Brooklyn, Peterboro, Bowmanville, Burlington, Frankford, and Kingston.

The couple will reside at Scarborough.

Local and Personal

A family dinner was given last Sunday at Sun Luck Gardens Restaurant, Belleville, in honor of Mrs. George Mumby, Front St., Stirling, who by Front St., Stirling, who celebrated her birthday on Sunday. A special guest for the occasion was Mrs. Mumby's sister, Mrs. James Barber from Mountain View.

Miss Marian Warren, Toronto spent the weekend at the home of her parents Mr. and Mrs. Edwin Warren. She was accompanied by Anya Suvetta, Ann Coe, Robert Henderson, Bruce McMillan and Eric McInroy all students at Waterloo University.

Mrs. Jean Gay, Mrs. Nellie Heath, Mrs. Marjory Heath, Judy and Joanne and Mrs. Arnold Wannamaker, all of Stirling, attended a shower at the home of Mrs. Cecil Wannamaker of Belleville in honor of the bride to be, Miss Deborah Parks, now teaching at Stirling Public School.

Burton Bateman, North St., is a patient in Belleville General Hospital.

Mrs. John Ryan, Stirling, is a patient in Kingston General Hospital, Victor 1, Room 105.

Mrs. Clara Third, has returned to the Towers Nursing Home after being a patient at Belleville General Hospital.

BOOT AND SHOE WORKERS HOLD MONTHLY MEETING

The regular September meeting of the Boot and Shoe Workers' Union was held on the 21st at the Masonic Hall.

Vice-president J. J. Ackers chaired the meeting as Roy Lake, president, has been away from work due to an accident, however he did attend the meeting. Ken Scott, Canadian representative for the International Boot and Shoe Workers' Union also attended the meeting. No strike appeals were received for financial assistance, however one request was received from the Canadian Muscular Dystrophy Association and the membership voted that they receive \$10 from Local 754. In addition the local voted that they pay \$15 instead of \$10 for the rent of the hall for the locals meetings.

A report was given from shop steward concerning their departments that they serve.

A lengthy discussion followed concerning pays and

incentive rates in the shop and verbal grievances were strongly voiced.

A report from Margaret Tanner and Keith Lake of the auditing committee was read and accepted by a unanimous vote.

After the audit report Mr. Scott suggested that the local seriously investigate the possibility of investing some of the locals savings at a higher interest rate. He pointed out that their money could work for them and wise investments could bring their savings even higher. Roy Lake said this would be investigated and suggestions, if any, would be brought before the membership at a future date.

Due to lack of time the film that their projectionist Allan Aude had available was not shown.

The meeting was well attended and adjourned at 10:20 p.m.

IN MEMORIAM

GOOSTING FEIKE - In loving memory of a dear husband and father who passed away Sept. 24, 1969.

Today we recall the memory of a loved one gone to rest. And those who think of him today.

Are those who loved him best. The flowers we lay upon his grave dry wither and decay. But the love for him who lies beneath will never fade away.

Sadly missed by his wife Helena and children Betty, Jan and Robbie.

36-1p

In loving memory of a dear brother and uncle Feike Frank Goosting who passed away one year ago as a result of a car accident. He left us silently. His thoughts unknown. But he left us a memory. We are proud to own, God took him home, it was his will. But in our hearts he lived still.

Always remembered by Willy and Wiegert de Jong and children.

In loving memory of a dear father and grandfather Jeen W. de Jong who passed away one year ago in Sneek, Holland.

Gone from us but leaving memories. Death can never take away. Memories that will always linger. While upon this earth we stay.

Always remembered by Wiegert and Willy de Jong and children.

WRIGHT - In loving memory of Roscoe Wright who passed away Sept. 23, 1969. Always remembered by daughters, Mrs. Geneva Rose and family and Mr. and Mrs. D. Donohoe and family.

"SERVICE WITH A SMILE"

Dear Sir

The statement by Mr. Gathercole, Ontario Hydro Chairman, on Monday (Sept. 14th, 1970) indicates that our contract settlement of 13.9% requires an immediate power rate increase to save Hydro from serious financial difficulty. Spokesmen for the municipal Public Utilities were quick to add that they too will increase power rates and they all claim that the boost is directly based on our new contract.

We don't deny that improvements for our 11,000 members affect the cost of producing power. However, there are several thousand Management staff who receive increases that also have an effect on cost of power, especially when their high wage levels are considered.

There is another important factor: in both 1968 and 1969 INTEREST paid out on Hydro bonds exceeded the total cost of wages and benefits for our entire membership by several million dollars.

Hydro's announcement is not

really news; it is public knowledge, especially in Northern Ontario, that Hydro had an announcement of a rate increase ready for release to consumers as early as June or July. The complex studies required to develop that rate increase started in January, 1970, before there had been ANY discussion of wages in our bargaining sessions.

Unfortunately, Hydro is being less than honest with the public in not announcing the increase which had been decided well in advance, until our contract was settled. The purpose for doing this was to blame the Union for an increase which may or may not be necessary. Their hope was to direct the public's anger over this contribution to higher cost of living and inflation against the Union.

John Young, where is your Price and Incomes Commission now?

HASTINGS COUNTY PLOWING MATCH DRAWS 31 ENTRIES

Mr. and Mrs. J.B. Belshaw mark 65th wedding anniversary

Registration for Wolf Cubs next Monday

COMPETITION PLOWING

The young man on the tractor above has more than one reason for keeping a close eye on his plowing: He

was among many entrants who participated in the Hastings County Plowing Match held at the Glenn Crow farm,

Ridge Road, Stirling. The match was held last Wednesday.

HORTICULTURAL SOCIETY MEETS

Beginning the fall term, the Stirling Horticultural Society held its afternoon meeting on Monday, September 21 at St. Andrew's Presbyterian Church Hall, with Mrs. Percy Craighead, Miss Gena Spry and Mrs. W. Ward welcoming all at the door. Vice-president Mrs. Raymond

McConnell presided, opening with the Lord's Prayer and Gardener's Prayer.

Mrs. Ted Reynolds read the minutes, correspondence and a price list for bulbs were included in the report.

Friendship secretary, Mrs.

Luella Bronson, reported sending out 32 cards since last meeting.

The president asked about flower beds in colour, what flowers look best in the various beds throughout the village.

Printing of programs was discussed and Mrs. Hubble was appointed to see about this and bring in a report at the next meeting.

Mrs. B. Bronson, Mrs. G. Hubble and Mrs. A. Brooks will be the committee to revise the Festival of Flowers show and fall fair show program of prizes.

Mrs. Apperley, Mrs. Craighead and Miss Spry will be the lunch committee for the October meeting.

The program committee will be Mrs. L. Bronson, Mrs. M. Brooks, Mrs. M. Aythart and Mrs. Alex Tanner.

Mrs. W. Haggerty brought a basket of slips of all varieties for members to choose to their liking. The hostess also had on display several bouquets and baskets of lovely fall flowers.

Readings were given by Mrs. Wrightman on house plants, their care in changing temperatures, from taking from outside to inside for winter.

Mrs. Oscar Merrick chose the "Potato" to talk about - those green ones that get uncovered during the growing period, that turn green due to sun and wind, are classed as being a poison potato.

Mrs. P. MacMullen talked about the Amaryllis bulb - plant in pot that is no more than an inch and a half from the side of the bulb. This, like a geranium, needs to be crowded to bloom well.

Mrs. Violet Rose gave a list of helps for fall planting, also told of flower problems.

Mrs. Morley Aythart gave a reading on "Don't spill the fertilizer".

This was followed by the singing of "Happy Birthday" to Mrs. Harry Morrow.

Lunch was served by the committee, which welcomed the 28 present.

The annual Hastings County Plowing Match was held last Wednesday on the Glenn Crow farm, Ridge Road, near Stirling. There were a total of 31 contestants in six classes which represented 31 separate entries. Utility classes were held in the morning, with the open classes in the afternoon. A special feature in the afternoon was the "Queen of the Furrow" competition with three young ladies participating. Miss Margaret Sills, R.R. 2, Stirling was the winner of this competition.

At this time, the directors of the Hastings Farm Service Club, Ploughman's Committee, wish to express their appreciation to all who assisted. Special mention goes to all the commercial companies who provided either cash vouchers or merchandise. Following is a list of the classes and competitors showing the donors. Cash was awarded in addition.

Festival of praise elects 1971 officers

Each year brings a few changes for the Stirling Festival of Sacred Praise and its entrants, and as the executive is starting to make plans for the 1971 Festival, it is hoped we may have another successful year. The festival for 1971 will be held the first week of May, beginning on Monday, May 3.

Do one to others

The Heasman ganged up on their cousin, Alice Sjoquist from Kamloops, B.C., who was a guest at Senior Citizens on Thursday. They served a nice lunch including a large birthday cake. Alice will be 92 shortly and can still step along with the best of us. Past president George Heasman thought he'd assist her in the big blow, but she beat him to the punch and did it with one blast before George got pucker and he's quick on the pucker, too - but not at candles.

Well, the bus trip Tuesday (yesterday) is a sell-out. There was a good demand for the big seat in the rear where the musing goes on.

Get your nominations ready for in two weeks we will have our annual meeting. The big question will be: will we hire or fire president Fred.

A young child in a Sunday School was asked for his favorite Biblical Truth and replied: "Do one to others as others do to you."

I hereby promise not to report any scandal on the bus trip, so, led your hair away down, kids.

dis ole Scribe

The executive and their committees for 1971 are as follows: Honorary president, Rev. B. Small; past president, Mrs. A. Reilly; president, Mrs. C. Potter; 1st vice-president, Mrs. B. Glendinning; 2nd vice-president, Mrs. D. Williams; 3rd vice-president, Miss M. Hales; festival secretary, Mrs. G. Carlisle; assistant, Mrs. J. Doran; treasurer, Mrs. R. Vendor is dead

Well known fair vendor, Fred H. "Gillie" Ellis of Trenton died on September 19 in his 88th year.

The popular taffy, puller and popcorn concessionaire did not attend the fall fair at Stirling this year due to ill health.

STREET PAVING

Work crews paved several streets in the village last week. This view shows the paving operation on Wellington St.

Mr. and Mrs. J. B. Belshaw, 77 Front St., celebrated their 65th wedding anniversary on September 20.

The couple, who have been residents of Stirling for the past 62 years, were married by Rev. B. F. Byers at St. John's Anglican Church in 1905.

Mr. Belshaw, a retired lumber merchant, was a member and past president of the Stirling Horticultural Society. Mr. and Mrs. Belshaw are members of the Senior Citizens Club. They were very active in church affairs until recently when ill health forced them to discontinue.

Mrs. Belshaw, the former Gertrude Morrow, comes from River Valley. When asked what advice she would give to newly married couples she replied, "They must work and pull together."

"You're a team and should work as a team as well as being considerate of one another," she said.

The couple received a plaque from Premier John Roberts which carried congratulations. They also received cards and greetings from friends and relatives.

They celebrated the anniversary at the home of Mrs. Belshaw's niece and her husband, Mr. and Mrs. Striker, Frankford. Mr. and Mrs. Striker's son, Gordon and his wife, celebrated their first anniversary on the same day.

Mr. and Mrs. Belshaw have a number of plaques on display in their home which offer congratulations on several of their anniversaries. On their diamond or 60th anniversary the couple received a telegram of congratulations from Queen Elizabeth II.

Stirling lawn bowling notes

On Wednesday, September 16, Verna Woodbeck, Tillie Prest, Mabel Brooks, Luella Bronson, Mary Doran and Edna Fox journeyed to Peterborough and competed in the Lincoln Trophy Lawn Bowling Tournament. Mary Doran and Edna Fox were two game winners.

Ted Barnard and Mrs. Verna Woodbeck were two game winners in the Hopps Trophy Tournament held in Oshawa on Saturday, September 19. Also competing were Mr. and Mrs. Earl Fox and Mr. and Mrs. Jack Doran.

The Snow Bird Tournament was held in Kingston on Saturday last. Ted Barnard as skip, Mel Caverly of Madoc and Jack Doran won turkeys for being high two game winners.

Joseph Irish, District Scout Commissioner, has announced that registration for Wolf Cubs will be held at the Stirling Junior School on Monday, October 5 at 7:30 p.m. Boys aged eight to 10 are invited to join the pack. The registration fee will be \$3.25.

"As we are short of leaders, the pack may have to be held to 24 boys," Mr. Irish pointed out.

The district commissioner poses the following questions: "Parents, would you want to see this group closed after 22 years of active Scouting? Is your boy worth two hours a week to keep this group going? Think it over."

Rained out

The Springbrook Midget B ball club travelled to Beamsville last Saturday to play the second game of the Ontario semi-finals. As they entered Beamsville, the rain came down and therefore the game was washed out. They travel to Beamsville this Saturday morning with the game scheduled to be played at 3:30 in the afternoon. There will be room on the bus for a number of spectators, so anyone wishing to go please phone 395-3685. It is expected that the bus will remain after this game to see the Madoc Juveniles play Beamsville Juveniles at 8 p.m.

Rebekahs will mark anniversary

Laurel Rebekah Lodge met at the usual time with a good attendance. The officers entered with a drill performance.

The Noble Grand, Eileen Woodcox welcomed the members present, including two visitors from Quintana Lodge. Kathleen MacMullen reported on the sick. Mildred Morrow told of the committee's plans for the 50th anniversary to be held in November.

Members were reminded of installation of officers to be held in October. The Rebekah Degree was conferred by the Laurel Sisters for one candidate, Mrs. Linda Trotter. Four names were proposed for transfer to the lodge.

The business concluded, lodge closed in regular form. All enjoyed a social hour and lunch of cheese, cake and tea. Nellie McIntosh moved a vote of thanks to the lunch committee, Edna Haggerty, June Woods, Ada Keating and Hilda Rose.

Bethel UCW holds meeting

"We plough the fields and Scatter" was the opening hymn for the September meeting of Bethel U.C.W., held in Minto Hall, Mrs. H. Holden read a poem, "He Dreamed" and led in prayer. The roll call was answered by a verse containing the word "harvest". There were 30 members and visitors, also five small children present. The offering was received by Shari Whiteman.

Acting secretary, Mrs. F. McGee, read the minutes of the last meeting and the correspondence. The U.C.W. rally will be held at Queenston on October 20. Mrs. Holden and Mrs. Wickens were to acquire material for a bale. The matter of lending chairs to the community was discussed. Cards were signed by all the ladies to send to the sick.

Mrs. D. Heath chose the theme "Gracious Invitation", for the worship service. The 23rd Psalm was repeated in union. Mrs. L. Sarges, Mrs. B. Heagle, Mrs. S. Kellar and Mrs. G. Sine each gave readings on different aspects of family living and family worship. An interesting and lively discussion followed summed up in a "Thought for Today". These five ladies sang a hymn.

Mrs. E. Ketchen was in charge of the study period. "Let's Get Going" was the topic chosen. Do we plan but not accomplish? Are we helpers or just talkers? Several comments were made on the best way to help or give. Mrs. Ketchen led in prayer with each member adding a short

Hilda Rose high single

The Energetic Bowling League commenced on Friday afternoon, September 25. In Group 'A', Hilda Rose had the high single - 233, high triple - 584 and the high average - 195.

Over 200 games - Bev. Adams, 225; Lenora West, 224. In Group 'B', Katie Wilhelm had the high triple - 461, high average 154 and Jean Jones had the high single - 165.

Guest speaker at St. Andrew's

Mr. Roy Taylor, a student in his third year of theology at Knox College, will be the guest minister at Stirling and West Huntingdon next Sunday.

The interim moderator, Rev. A. L. Sutherland, is hopeful that all members and adherents of both churches will hear Mr. Taylor.

An informal coffee hour will be held in Stirling on Saturday evening from 8 to 10 p.m. to give the congregations an opportunity to meet Mr. and Mrs. Taylor.

Hastings County Federation of Agriculture

The September meeting was held in the Ivanhoe Hall on Sept. 17 with Don Martin, president, in the chair.

Copies of the Task Force Report were given out and it was decided to again sponsor Grant Ketcheson of Madoc as an applicant for the Nuffield Scholarships. Grant was accepted last year but because of a fire which destroyed the family barn and milking herd, was unable to go.

Congratulations were extended to Miss Dianne Gunning of Tweed who recently won the Ontario Dairy Princess competition.

Wilfred Forestell reported that 111 adults and children attended the picnic at O'Hara Mill on Sunday, July 26. He also reminded the members of the County Ploughing to be held on Sept. 23 near Stirling.

The Kids Are At School... I Think

By Bill Smiley

If you heard a sigh sometime recently like an elephant about to lie down and die, there was nothing to be alarmed about. It was just the Smileys getting the last of two kids off to college.

Hugh isn't so sad any more. Boys aren't generally. They'll jam some clothes and junk into a suitcase or two and a duffel bag, and off they go.

He had decided, after a couple of years of waiting table and selling vacuum cleaners, that there might be something in that higher education stuff after all.

Unfortunately, I promised that if he buckled down, I'd give him some financial help. He buckled down just enough to get through his year, so this year I'm stuck with paying his fees. As far as eating goes, he's on his own.

Got him off on an early bus, bound for Halifax, with a big box of books and frayed shirts and one suitcase, mine, bulging. He was full, as usual, of boundless optimism and great expectations. No problem.

Kim is another kettle of fish. Or fowl. A year ago we took her to university, got her registered, found her a place to live, and made about four long trips in six weeks to allay her loneliness, buy her more clothes, and change her living quarters twice.

She quit at Christmas and my stony heart bled tears when I counted the dollars down the drain. She was ill for a time. Then she went out into the world to seek her fortune.

She discovered that the streets of the city were paved with soot, not gold. After a few months of being broke or working, she chose the lesser of three evils, and decided to go back to school.

After an incredible delay, and weeks of agonizing anxiety for her mother, her application was accepted. (Dealing with university bureaucracy is like dealing with the government.)

I took her down and we checked out the university. She liked it, to my amazement. I think what sold her was that an English professor we talked to introduced himself by his first name, had long hair and a beard,

and when he stood up, turned out to be in his bare feet.

She had expressed a desire to get out of the city. Sick of the smog, traffic and everything else that goes with it. She wished she could go to college in a small town. I pointed out that small towns do not boast universities.

But this was as close to it as you could get. Campus surrounded by orchards. A river winding through it. Well out of the city proper. No heavy traffic within two miles.

By sheer good luck, caught the last bed in a girls' residence. It's a co-operative, with 14 girls. They do their own cooking, cleaning, and make their own rules. Great.

A girl who lived in the house said it was fine. A stone's throw from the college. It was a mess, but professional cleaners were coming in to clean, decorate and put everything in order.

Then the doubts set in. "Dad, how can I get along with 13 girls? What if my room-mates don't like me? Wait'll they see me come in with my guitar, in jeans and sneakers." And so on.

In my jovial, fatherly way, I retorted: "Look, kid, 25 years ago I was living with 17 other fellows in a room the size of yours, and we got along."

The answer was typical of all kids: the minute you start talking about the tough old days: "Yeah, yeah, I know, Dad, but that was in camp, and you had no choice and I've heard it all before."

For once, I was firm. She was actually pleased by my firmness. All settled. So we took her down

on a Sunday, to get settled. The house was still a mess. No pillows cases. Two or three girls struggling around with furniture. No heat in the house on a cold, drizzly day.

It was bleak and dreary and her spirits went down like a thermometer in an ice bucket. Typically, she hadn't even packed a sweater. I left her the one I was wearing.

When we left, she looked as woe-begone as a drunk at a tea party. Her mother moaned softly all the way home and has been wringing her hands ever since. We'll see.

4 THE STIRLING NEWS-ARGUS, September 30, 1970

Let's use the schools

News that Stirling's schools may be put to greater community use will be welcomed by many who long have felt such buildings should be occupied for much more than seven or eight hours a day, 10 months of the year.

A recent survey conducted by local students has shown that a large number of residents would like to use the schools in the pursuit of recreation or hobbies during out-of-school hours.

It is perfectly logical that these buildings, which were erected out of public funds, should be made available to the public at times when there would be no interference with classes. The Hastings County board of education realizes this and has embarked on a campaign of encouraging this useage.

Now that the results of the survey are in, it is hoped that education and community leaders will be able to work out with haste a program that will meet the needs of Stirling and district residents.

It is interesting to note that of the activities proposed at these after-school sessions, the most popular was sewing. Could this possibly mean that the forms generally were filled out by women? Pardon us if we say we prefer knitting! At least we would have Jacques Plante on our side.

Support your firemen

An ounce of prevention is better than a pound of cure. Nowhere is the truth of this age-old statement more obvious than in the case of fire prevention.

The best fire department in the world cannot prevent fires from occurring. This can be done only with the co-operation of the public.

Next week is National Fire Prevention Week. The observance serves to remind us that something CAN be done to prevent fire tragedies from happening.

Now would be a good time to clean out the shed containing such articles as oily rags, old paint cans and other fire hazards.

This also might be the occasion for calling in an electrician to repair faulty wiring, a serviceman to clean the furnace or a mason to mend a leaky chimney.

It is a foolhardy thing to tolerate a potential fire hazard in a dwelling or place of business. The effort needed to prevent a blaze is infinitesimal in comparison to that of putting out a fire or of trying to recover from a fire loss.

Let us each one make a special effort this coming week to ensure that our firemen have an easy job in the forthcoming year.

LEGION NOTES

Next general meeting is slated for October 6 and takes the form of a pot-luck supper. Bring your potatoes, salads, cakes, pies, meat loaves, baked beans - you name it - we will enjoy it. Social hour from 6:00 to 7:15 p.m. We eat from then until 7:45 p.m. and the meeting begins sharp at 8:00 p.m. We want and need you and our social members are invited to be present, but cannot vote.

Our History Books tell our school children of Sir Winston Churchill, who died five years ago this month, and appropriately call him "The Great Warrior". Sir Winston has said in many ways it was all the people of the Free World who had the lion's heart - he was merely the lion's roar.

Since poppy week begins November 5 and continues to November 11, we ask each one to wear the poppy proudly. Our veterans' children prepared the kits this summer in Legion House and they are quite smart. Our one new item in the poppy kit - there are 2,240 made in English and 265 in French - is called "The Way it Was in 1939-45". It is intended primarily to give younger people - particularly teachers - a better understanding of the role Canada played in World War II.

DO'S and DON'TS

- DON'T** fight a big fire by yourself.
- DO** get everybody out. Fire spreads faster than you can run. **DON'T** take time to dress.
- DO** alert the Fire Department. **DO** summon nearby aid. **DO** teach your children
- DO** call for help.
- DO** stay near the floor, near the window where the air is better.
- DO** keep door closed.
- DON'T** jump — unless it's imperative. Many people have died, without knowing that rescue was close at hand. **DON'T** fling yourself out the window. Hanging on to the sill to drop will save an adult 6-7 feet of fall.

how to use the telephone to report a fire.

A rope or a knotted bedsheet is another life saver.

PREVENT COOKING FIRES

NEVER OVERHEAT OR LEAVE COOKING UNATTENDED.

IF THE GREASE IN A POT OR PAN CATCHES FIRE

1. TURN OFF HEAT
2. SMOOTHER FLAME BY COVERING PAN WITH SUITABLE LID WHICH MUST ALWAYS BE READILY AVAILABLE
3. WATCH OUT FOR YOURSELF OR CLOTHING

BUT SHOULD FIRE IGNITE NEARBY COMBUSTIBLES OR THREATEN TO SPREAD

1. GET EVERYONE OUT OF THE BUILDING (GIVE ALARM)
2. CLOSE KITCHEN AND ENTRANCE DOORS
3. CALL FIRE DEPARTMENT

NEVER RISK CARRYING OUT A BURNING PAN
NEVER USE WATER ON GREASE FIRES

YOUR FIRE DEPARTMENT

Meet EDITH

Operation EDITH has started.

EDITH is not a hurricane. EDITH stands for exit drill in the home.

If EDITH is successful scores of Canadians will be spared a tragic death by fire in the home.

Operation EDITH spearheads the 1970 fire prevention campaign.

Fire Knows No Generation Gap

THE killer, fire, respects no age group. It will strike you dead whether you're a baby, a teenager, or an old age pensioner. The death statistics reveal how ruthless fire can be. Over the last 10 years, almost 6,000 persons died in fires. Of these, 2,385 were men, 1,252 were women, and 2,329 were children.

No matter how old we are, we all tend to become a little lax at times. It's human nature.

But fire is not human. It kills and maims indiscriminately. Because of its ravages over the past 10 years, more than 21,000 persons have been scarred or disfigured for life.

Your Fire Department will help prevent you from becoming another one of those statistics. They will come to your home to point out fire hazards and show you escape routes in case of fire. Call them today. Don't let yourself get caught in the "fire gap."

Do You Cheat?

What do you do about fuses? Do you cheat? Use a 30 instead of a 15, even some foil when there's no fuse handy! That's a smart idea, very smart, you'll have a dandy fire. Please remember to use only 15 ampere fuses in ordinary lighting circuits.

I would like to express my sincere thanks to neighbors, friends and relatives for all kindness in sending flowers, cards, letters and gifts while I was a patient in Belleville General Hospital. A special thanks to Dr. Birchard, Dr. Hipwell and the nursing staff on the fifth floor. Also to Rev. W. C. Cox for his visits. Many thanks to the UCN for the lovely gift and to those who brought baking or helped in any way before and since my return home. Sincerely Cora Jeff. 37-1

We wish to express our sincere thanks and appreciation to our Neighbours and Relatives for the Social evening they spent with us prior to our leaving Stirling, for the bountiful lunch and the lovely gifts. Their kindness shall long be remembered. Clarence and Grace Wright 37-1p

My sincere thanks to all my friends and relatives who remembered me with cards, letters, and gifts on the occasion of my 88th birthday. Sincerely Ernest H. White. 37-1p

THE HAROLD WEE WOOLIES

The second meeting of the Harold 4-H Girls Club was held on September 22 at the Wellman's W. I. Hall.
The meeting was opened with the 4-H pledge and motto. We then had the roll call.

Next, Janice Clancy read the minutes of the last meeting, and Lorna McMullen gave the treasurer's report.

The leaders discussed with us: how to choose the proper style, pattern and fabric; preparing our fabric for cutting and the proper methods of pressing. As a group, the girls measured each other.

The home assignments were discussed and the meeting was closed with the benediction.

Mr. and Mrs. Wilfred Spencer and their uncle and aunt, Mr. and Mrs. Percy Mumby, returned home on Wednesday from a trip to the Eastern Provinces and the Maritimes.

Mr. and Mrs. Lynn Mason of Scarborough spent the week-end with her father, Mr. Ralph Heath, and visited her mother in Campbellford Memorial Hospital.

Mr. and Mrs. Fred Husband of Napanee were Sunday guests of her sister and husband, Mr. and Mrs. Ellis Jones.

Mr. and Mrs. Gary Torrance and Tracey of Scarborough spent the week-end with their parents, here and in Campbellford.

Laurie and Chris Spencer, children of Mr. and Mrs. Fred Spencer, spent the week-end with their grandparents, Mr. and Mrs. Keith Bailey at Bradley Bay.

Mr. and Mrs. Bob Reid spent a day last week with her mother, Mrs. Nelson Staley in Stirling.
Mr. and Mrs. Earl Thompson and family of Kitchen called on friends here on Sunday. He lived in the community several years ago.

Most of the family of Mr. and Mrs. Wilfred Spencer called on them on Sunday to extend belated birthday greetings to their father and grandfather. Mr. Spencer celebrated his birthday while holidaying in New Brunswick.

Mrs. Cora Reid spent a day recently with her sister, Mrs. Ethel Runnalls at Harold.
Mrs. John Rowe and Mr. and Mrs. Ernie Rowe of Stanwood visited Mr. and Mrs. Ray Stewart on Sunday. Mrs. Rowe remained with her daughter for a few days.

Mr. and Mrs. Wilfred Spencer spent Thursday evening with their son, Fred, his wife and family.

On Sunday, Wm. Morton Sr. was honoured by his family at a birthday dinner at George's Restaurant in Campbellford.

Mr. and Mrs. Fred Petherick spent Sunday in Oshawa with their daughter and husband, Mr. and Mrs. Wally Jackson and family.

Mr. and Mrs. Percy Reid were dinner guests of her brother, Ray Pollock, his wife and family on Sunday and attended anniversary services at St. Andrew's Presbyterian Church, Burnbrae.

Mr. and Mrs. Paul McKeown and Kelly celebrated his birthday with his mother, Mrs. Tom McKeown in Belleville on Sunday.

Mr. and Mrs. Clint McComb of Peterborough visited their daughter, Mrs. Don Stewart and her husband on Thursday.

Family members celebrated the birthday of Mrs. Ernest Irwin on Sunday. Present were sons, Elwood Irwin and Clair Irwin, his wife and family, all of Campbellford, and Judy and Sue Wallace of Peterborough.

Mr. and Mrs. Doug Bedore of Deloro spent Monday with her mother, Mrs. Fred Petherick.

The Seymour-Rawdon boundary has taken on a decidedly different look in the past few weeks. The 10th Line is being re-routed and built up, widening the road and doing

away with the sharper corner.

The apple harvest has started. Several local pickers are already on the job.

Timber wolves were seen by Mrs. Austin Dunk and some of her family on their property over the week-end.

Mr. and Mrs. Bob Spencer and family called on her mother, Mrs. Clara Lisle at Stanwood on Sunday.

Lynne Spencer of Peterborough spent the week-end with her parents.

Mr. and Mrs. Art Turner of Bradley Bay visited Mr. and Mrs. Austin Dunk and family on Saturday evening.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

Vega is here at last. Now you can buy what we modestly believe is the best little car in the world.

It does everything well.

Everything? Everything. Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, merges well, travels well, parks well, sits well, wears well, and is priced well under what you'd expect to pay for such a totally talented car.

In highway tests, Vega has been getting around 30 miles to the gallon. Yet unlike your average little car, ours steps right out when you step on the gas. The standard engine is a specially designed 1400 cubic inch overhead cam four with a lightweight aluminum alloy block. You can order the optional engine which has a 2-barrel carburetor and delivers 20 extra horsepower. The brakes are something too. Discs are standard in the front, new-type drums in the rear.

The wheelbase is 97 inches. Width: nearly 5 1/2

nice, stable feet. Weight: 2,190 lbs. for the standard sedan. Engine displacement: 140 cubic inches; horsepower: 90 SAE gross, 80 SAE net. Seating Capacity: four adults. Turning circle: 33 feet, curb to curb. What it all adds up to is a lot of little car.

Three cars and a truck.

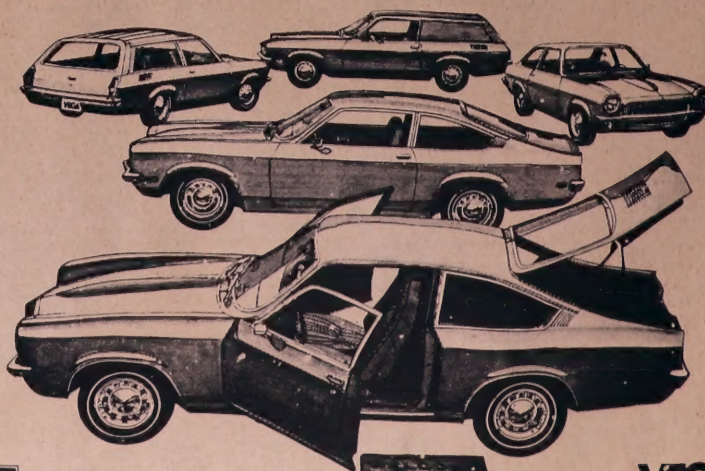

Vega turned out so well that we couldn't turn out just one. So we made four: a sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel express truck, in the rear.

You have a choice of 10 outside and 5 inside colors plus a pretty fair selection of available options.

September 28th is Opening Day.

All Chevrolet dealers across Canada are handling the Vega, so you shouldn't have to go very far to find out more about it.

Chevy's new little car is open for business. Look into it.
